INTERIOR DESIGN

Wadi Al Mas creates unique interior design solutions tailored to meet the needs of each project and client. We create functional designs that confirms to effective use of space, best usability and superior aesthetic quality within the time and budget available.

We understand and research on the space and client's requirements and use sketches, blueprints and computer aided design (CAD) software to come up with concepts, design, detailed drawings and estimates. We also specify the materials and timelines needed to complete the proposed project.

PROJECT MANAGEMENT

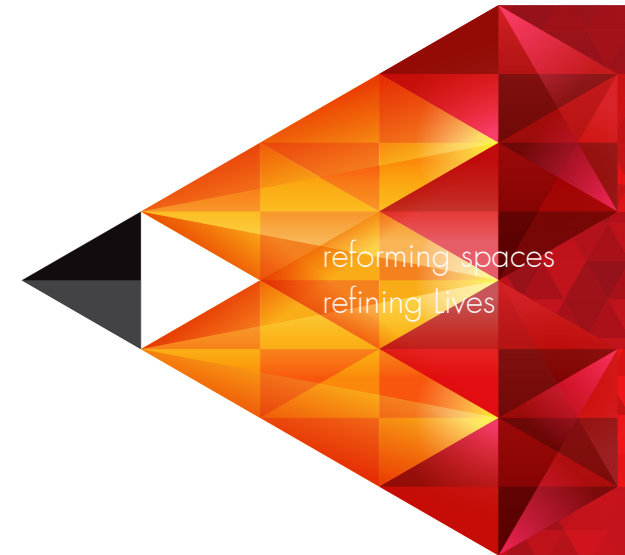

With our efficient project management, we assure to deliver any project on time, to cost and to the highest quality by co-ordinating material, manpower and other resources.

CONSULTANCY

With our experience in various projects, we offer consultancy on decoration, architectural details and layout planning. After gaining a thorough understanding of the project details and client's expectations, Wadi Al Mas formulates a design plan that ensures successful completion of the project.

APPROVALS

We offer assistance to our clients with the documentation and approval process or interior projects in various organizations and communities including: Dubai Municipality (DM), Dubai Civil Defense (DCD), Dubai Water and Electricity (DEWA) Tecom, Concordia (JLT), Trakhees & Dubai Silicon Oasis.
