Speed Track Electric Material Trading L.L.C.

About Us

Speed Track Electric Material Trading LLC established in 2009 in Musaffah Abu Dhabi UAE to meet the growing high demands of quality electrical materials, especially in Cable marking & Identification and Cable Tag embossing systems particularly for Oil & Gas projects. In a short span of time the company developed name for its efficiency and uncompromising quality products & timely customer services.

ISO 9001:2015 & ADNOC ICV (in country value) certified

The company has been established by a group of energetic & well experienced professionals having 30+ years experience in UAE in the same field. We are always committed towards total customers satisfaction.

We mainly focused to meet the requirements of Oil & Gas project requirements with bulk stock of products, total solution for Cable Marking & Identification Systems (PARTEX, MAX Letatwin, Biovin, Supvan, Canon) and Cable Tagging systems (STEMCO, DYMO) with facilities in our two large well organized warehouses in prime area in Musaffah with support of our well experienced Sales team.

We also have in-house Metal tag embossing services and spare parts & after sales repair services for Ferrule/Cable ID Printing Machines and Embossing Machines etc...

VISION

Empowering the construction, Power & Utility and Oil & Gas sectors in UAE with safe and reliable supplies & services with timely services and access to the latest technologies. We always strive to make the Industrial arena in Middle East a safe and secure environment.

MISSION

- » To provide our clients competitive and premium quality equipments and services.
- » To strengthen the acceptability of our brands with clients and contractors throughout the GCC.
- » To seek growth through new ideas, new products and strong partnerships.
- » To continuously improve our business processes leading to prompt and efficient sales and after sales Services.

Major Projects Involved
