Aeon Shipping LLC

Scope of Work

The Shipping of Household Goods

We offer comprehensive packing and moving solutions to transport personal effects and household items around the globe. The CCTV secured bonded warehouse could be used for the storage of household items. Door to door delivery options are provided. A free survey is carried out at the customer's residence to make an accurate assessment of the cargo.

Warehouse Facilities

Aeon Shipping LLC AT A GLANCE

Aeon Shipping LLC, located in Dubai, United Arab Emirates specializes in shipping and logistics services. We offer a variety of shipping, logistics and consultancy services for the transportation of automobiles, household goods, boats, yachts, heavy equipment (construction equipment), motorcycles, and oversized cargo. Furthermore, roll-on roll-off (RORO), pet relocation and freight services are provided. The company was established in 2009 and has expanded rapidly serving over 5000 destinations in over 100 countries worldwide.

Company Strategy

Our business model revolves around the core values of customer satisfaction, fair pricing, timely delivery, professionalism and integrity.

Our Vision

We intend to identify and accomplish the goals and values of our customers, employees and stakeholders. We envisage the expansion of our sea, air and land freight services to the entire region within the next 10 years and to be a leading competitive shipping and logistics company in the region; setting the highest standards in the industry.

Our Mission

To provide the highest level of service to our customers in order to build a trustworthy and long lasting relationship. To provide reliable and dependable freight services, and to be a reliable partner sustaining excellence. We constantly strive to improve our competencies. We aim to adhere to the highest ethical and professional standards.

We endeavor to be the best employer, promoting dignity, professional growth and personal pride for all our employees.

Methods of Packing:-

Furniture Items mainly wood and polished surfaces are packed using Corrugated Sheets, Hard Board sheets and bubble wraps with corner paddings for additional protection to the edges.

Casual clothes, linens & beddings are packed in Flat Wardrobe cartons which are designed like a suit case while the formal clothes such as suits & coats will be packed in Hanging Wardrobe Cartons with inbuilt hanger in the carton. These cartons are moved in up-right position through-out the removal process.

Appliances, electronic items & fragile items are packed using white paper cushioning, bubble wrap and sturdy cartons. Out of this, some selective items such as large screen

TV's, Mirror's, glass top etc. are also cased in to customized wooden crates after the initial packing done as explained.

Crockery and Glass ware items are packed with white wrapping paper and layer of bubble and are placed in to medium cartons specifically designed for fragile items.

Kitchen ware items such as pots and pans / small kitchen appliances are packed with white wrapping paper and placed in to medium kitchen cartons.

Books & CD's are packed in to book cartons which are specifically designed to be small which can carry heavy weights.

Also note that the entire furniture items will be shrink wrapped to protect the same from dust/water drops etc. Any items besides the above description are packed using appropriate packing materials depending on the item.

Aeon Shipping LLC

Scope of Work

With nearly a decade of experience in providing top quality international shipping solutions in the UAE, we are considered a market leader when it comes to commercial and personal shipments.

The company undertakes shipping services while providing consultancy services that cover every aspect of the shipping process. We guide our customers through insurance, customs clearance and other concomitant aspects with regard to shipping.

Automobile Shipping Services

We can facilitate automobile shipments to over 100 countries. Cars could be shipped in either dedicated or shared containers. Air freight services are used for expedited shipment. Customers enjoy the benefits of a bonded, CCTV secured warehouse, wherein, the customs and the warehouse are in one location.

Oversized Cargo Shipping Services

We have a dedicated team of experts who will analyze and help successfully ship cargo that can be difficult to transport or is unusually large.

Also note that the entire furniture items will be shrink wrapped to protect the same from dust/water drops etc. Any items besides the above description are packed using appropriate packing materials depending on the item.

We prioritize customer satisfaction, conduct market research, and bank on our highly skilled workforce. These factors have combined to give us an impeccable track record over the past decade. We draw on our experience and adapt to the changing business landscape to guarantee safe, secure and timely shipments across the globe. We accept convenient methods of payment including cash, cheques and credit cards. We offer insurance with every shipment and customers can choose comprehensive "clause A" insurance policies. These provide complete coverage for the full value declared.

Freight Services

Domestic and international land and air freight services are provided.

Boat and Yacht Shipping Services

We utilize cutting-edge technologies and possess extensive expertise on the rules, regulations and standards associated with the shipment of boats or yachts. Expert consultancy is offered to help customers' ship vessels of any size.

The Shipping of Heavy Equipment (construction equipment, earth moving etc.)

We have dedicated team of experts to ascertain, plan and execute heavy equipment shipments. We rely on extensive experience, technology and project management to carefully transport heavy equipment.

Motorcycle Shipping Services

We transport over a hundred motorcycles each year, ensuring the highest degree of safety and security. Air freight services could be used for expedited shipment.

Roll-on Roll-off (RORO) Services

RORO is a specialized form of shipping dedicated to the shipment of vehicles. We

RORO services for motor cars, construction machinery and motorcycles.
