WHO WE ARE

Sekah Al Rifaa Technical Services LLC, a leading fit-out and maintenance contracting company based in Dubai, proudly introduces our SAR team with over 15 years of experience in interior fit-out design and decoration. Whether for commercial refurbishments, new constructions, or renovations, our team provides the highest standards of design, project management, supervision, and construction quality. We prioritize customer satisfaction by offering innovative solutions through a comprehensive understanding of project development, creating exclusive spaces tailored to diverse tastes and functions. Our formula is simple: hire the best workers, understand clients' needs, and exceed their expectations in every project, large or small.

As the leading fit-out contracting company in the UAE, we work on iconic projects including commercial buildings, complexes, private villas, and residential buildings. Our commitment to high-quality, on-time, and within-budget delivery has earned us a loyal client base. Clients repeatedly choose Sekah Rifaa Technical Services LLC for our skills, resources, and expertise, trusting us to complete their projects to the highest standards with timely and efficient results.

VISION & MISSION

01. Vision

Our vision at Sekah Al Rifaa Technical Services LLC is to be the premier fit-out and maintenance contracting company in the UAE, recognized for our exceptional quality, innovative solutions, and unwavering commitment to customer satisfaction.
