Introduction

Established in 2011 by a team of well qualified and highly experienced professionals, Tri Lines Contracting LLC is committed to surpassing the expectations of its clients, subcontractors, and suppliers by developing relationships through integrity, professionalism, and service which yields the highest quality construction projects.

Key Personnel

- Aktham Ali M. Al Qa Qa
- Habeeb Malim
- Irshad Ali

The Tri Lines Contracting L.L.C. team consists of ambitious individuals who will see to it that customers receive the very best. Having worked as a team for the last 11 years, the trio has seen through from conception to completion of the projects.

Mission & Vision Statement

Tri Lines is committed to provide service excellence through best of class performance & efficiency. Excellent working relationships have been established with other key players in the construction industry, which have yielded great rewards. The past years have proven the benefit of dedication, integrity and sustained client dealings which speaks volumes for the experience of the management team.

Our Goal

Excellence is our goal as well as our obligation to our client. From pre-construction service through project completion, Tri Lines Contracting L.L.C. is committed to exceeding its client's expectations.

Occupational Health & Safety Policy

We maintain high standards of safety & care is taken to educate our teams on the hazards of construction. The monitoring of personnel is taken seriously & all efforts are made to keep the working environments safe. All personnel are issued with safety equipment and management takes the safety & health policy as their participative responsibility & continued training & awareness is maintained. The working conditions are fair & the health of the work force is always considered in planning & executing a work plan.
