Introduction

We have pleasure in introducing our company, **BYNUNA GATE OILFIELD SUPPLIES L.L.C** on your esteemed organization. Our company is specialized to meet the requirements of Oilfield, Manufacturing, Construction and Marine Industries.

We have professional and dedicated team who can cater to all your requirements related to the supply of high quality products and spares to Electrical, Mechanical, Instrumental, Tools and Engineering Equipments. Our extensive knowledge of the products, market and our low overheads give us the leverage to offer our products at the most competitive prices.

We take this opportunity to introduce some of our Principals specialized to Cathodic Protection, Safety Clothes, Material Lifting & Equipments, Gaskets etc. All the products are manufactured and certified to meet ANSI / ASME / ASTM / BS and other international / European standards

Looking forward to a mutually beneficial business relationship and assuring you of our best services at all times,

Yours Sincerely

K.S. Rajesh

Granberg is known for supplying high quality hand protection for any industry. Here are some excellent highlights from the extensive glove selection we offer. See all glove models and technical details at: www.granberggloves.com

Granberg®115.9007
Cut Resistant Impact Hi Viz™ Protective Gloves
Typhoon® fibre with nitrile coating, oil resistant

Granberg®116.0995
Cut Resistant Gloves Protector
Typhoon® and polyurethane coating

Granberg®107.4330
Vibration-reducing work gloves, EN ISO 10819:2013 approved
MacroSkin Pro® material with Spandex® back and Velcro closure, unlined

Granberg®114.1000
Nitrile Chemical Resistant Gloves Chemstar®
Unsupported, cotton flock lined

Granberg®115.9011
Cut Resistant level D Impact & Chemical Resistant Gloves
Typhoon® seamless, bonded cut liner

Granberg®116.592
Touchscreen-Compatible Cut-resistant gloves
Typhoon® material, sandy nitrile coating.

Granberg®114.0988
Assembly Gloves Pro-Fit®, Oeko-Tex® 100 Approved
Nitrile coating

Granberg®109.1730
PVC Chemical Resistant Gloves Chemstar®
Cotton interlock lined

DEKOTEC

Excellent corrosion prevention for pipelines and pipeline components

PLASTELEN®
Petrolatum Tapes & Mastics

Proven corrosion prevention of complicated pipeline components in the under and above soil area as well as at flexible and maintenance intensive armatures.

BUTYLEN
Tapes and Tape Systems

For more than 40 years, proven as permanent corrosion prevention at pipelines, welding seams and fittings for new structures and rehabilitation measures.

DEKOTEC®
Heat Shrinkable Sleeves

High quality and robust sleeves for the protection of field joints and sleeve connections against corrosion and root penetration, as two and three-layer system for normal up to high operating temperatures.

LIQUITOL®
Liquid Coatings

Spray and spread coatings for highest requirements for welding seams, soil to air interface areas and for trenchless pipe laying.

DEKOTEC®
Insulation and Sealing Tape

Based on their sealing, vibration damping and insulation properties, DEKOTEC® Tapes have found a large variety of application options in metal-construction and industry.

MarineProtect®
Jetty Pile Protection

Corrosion and weathering protection for metal, concrete piles or wood in the splash zone of moles and harbors. Simple application above the water as well as under water.

We protect and beautify the world™

Sigma Paints formerly part of the SigmaKalon Group has its origin in the Netherlands as a manufacturer of Dyes, Varnishes and ground pigments for wood as well the Marine industry way back in 1722.

Sigma Paints Saudi Arabia Ltd was established in the year 1981 as a by a consortium of eminent Saudi businessmen in cooperation with the SigmaKalon Group.

With its rich heritage and many acquisitions later Sigma Paints was acquired by PPG - the largest Paints manufacturing group in the world in 2008. PPG Industries (NYSE: PPG), a US based global supplier of coatings, chemicals, glass and fiber glass and equity affiliates and operating in more than 60 countries worldwide, acquired SigmaKalon. PPG Industries has an annual turnover of US\$14 billion. Sigma Paints is recognized as one of the leading forces in the Decorative, Marine and Protective market segment in the Middle East's paints and coatings industry. Maintaining a heritage of commitment to quality and endless innovation, today we are a reference point in paints and are viewed as the favored coating company in the Middle East.

Jig saw Cutters

Bynuna Gate Oilfield Supplies is a professional supplier of construction engineering machinery and tools. We supply all kinds of construction and Engineering tools, Power Tools & Hand Tools

We specialise in all aspects of light engineering tools, fasteners and many more items.

We are committed to provide our customers our products & services that meet the highest industry standards, parameters & customer satisfaction.

Lifting Equipments

Chain Blocks, Electrical & Manual
Lever Blocks
Wire Rope Slings, Webbing Slings
Shackles, Turn Buckles
Pipe Lifting Clamp Horizontal
Load Binder
Tripod & Winch
Electric Wire Rope Hoist
Hydraulic Wire Rope Cutter
Alloy Steel Chain
Grade 80 Chain & Wire Rope Fittings
Horizontal/Vertical Plate Lifting Clamps
Plain/Gear Trolleys, Electrical & Manual
Hydraulic Pallets Trucks
Wire Rope Winches
Automotive Jacks
Hydraulic Presses & Pipe Benders

We have a proud record as a specialist supplier of lifting equipments, representing the world's foremost brands and manufacturers.

All equipments are manufactured in international engineering standards and is supplied with certificates of test and conformance.

Taking patronage of our devotion towards quality, we have earned the faith of our clients, We are supplying Hydraulic and manual lifting equipments and accessories.

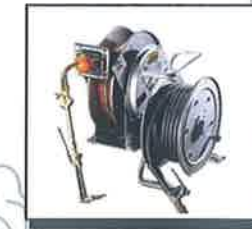

Welding Equipments

Gas cutting set (Complete)
Oxygen/Nitrogen/CO2/LPG Regulators
Cutting attachment / Torch handle
Cutting Tips
Auto Plate Cutting Machine
Gas Cutting Repair Kit / Accessories
Tig Torches & Accessories
Oxy/ACTY Twin Hose, Rubber Air Hoses
PVC Clear Braided Hose (Argon Hose)
Welding Electrode, Welding Cables
Welding Electrode Oven
Electrode Holder / Earth Clamp
Tungsten Electrode
Welding Safety Face Shield & Bracket
Welding Helmet, Welding Hand Shield
Welding Gloves, Leather Apron Guard
Fire Retardant Tarpaulin

Our Company has been the distributor of welding equipments and welding supplies from the top manufacturers in the industry.

We have extensive inventory of welding Equipments (welding machines, torches, plasma cutters), Wide selection of welding accessories and safety apparels (helmets, gloves, hand tools), Welding supplies (for TIG, MIG and Stick welding)

We are having the products from the leading manufactures like Weldzone, Victor, Ezab, WeldMan Etc.

Electrical

All Types Cables and accessories,
MCCB
ELCB
Fluorescent lights,
LED lights.
MH Lamps.
Sockets.
Distribution panels.
Switches.
Light holders.
Trunking.
Conduits Etc.

We are dealing with all kinds of Electrical items from USA, UK, Italy, France, U.A. E., India, China, India, Taiwan etc.

We are one of the leading importers, distributors, stockist and project suppliers dealing with all kinds of electrical materials, distribution equipment, cable and wires, wiring accessories, light fittings and factory made standard industrial switch & fuse-gears and assemblies with substantial stock to cater our customers.

Fasteners

Stud Bolts
Hex Head Bolts/Nuts/Washers
Threaded Rods
Hex Head Cap Screws
U Bolts/J Bolts/L Bolts
Aluminium Sheets
SS Plates
Pipe Clamps
Self Tapping Screws
Fix Bolts .etc.....

We have complete range of stainless steel, galvanized, PTFE fasteners using in construction, marine and oilfield.

We are having wide variety of products from USA, UK, Italy, France, U.A. E., India, China, Taiwan etc.

We strive to meet the changing needs of our customers through superior customer service, excellent vendor relations, and extensive product knowledge. .
