# COMPANY PROFILE

Florence Marine Equipment Trading LLC is an established Engineering and Instrumentation equipments supplier. Established in 2015, the company has made inroads in UAE within a short span servicing clients from diverse sectors including Oil & Gas, Water Treatment, MEP Services, Power, Petroleum, Hydraulics etc.

Today Florence is a name to reckon, with the distinction of being the sole distributor and stockist for major equipment manufacturers in the sector. Besides we have been recognized by the Government Oil companies as a supplier. With our well-equipped and spacious show-room, we are able to provide enhanced service to our clients.

We cater the supply of comprehensive range of high quality products that comply with all the standards and certifications in an efficient and quick manner. We have a dedicated service team who renders a wide range of onsite support service including instrumentation installation jobs, fabrication, hose crimping works etc.

## Vision & Mission

To emerge as the forerunners in the MEP, Instrumentation and Oil & Gas Industry Equipment supply sector across the Middle East.

- Plan, execute and source the best in the industry as per the needs of the clients.
- Deliver the clients' requirements with better quality, flexibility, timeliness and cost effectiveness.
- Maintain the quality, specifications and the industrial standards for the best of the client's interest.

## Our Team

Florence Marine Equipment Trading LLC is managed by a set of professionals and entrepreneurs who have years of experience in the field in the Middle East. Our team meticulously work for delivering the most appropriate Equipments on time at economical costs. Our service team has the experience and dexterity to handle the onsite service function in instrumentation installation jobs, fabrication and hose crimping.

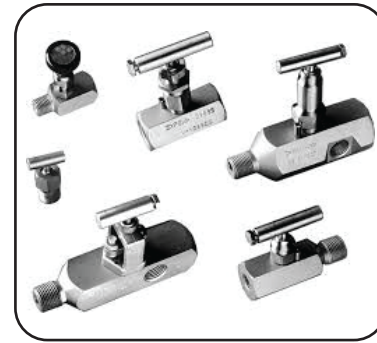

Hansun Engineering Co Ltd -Korea fittings and valves are manufactured to the most stringent industry standards. As a result, Hansun S-Lok is one of the most certified tube fitting and valve manufacturers in the world. Our guarantee is a leak-tight seal in process, power, and instrumentation applications. Our commitment is to provide our clients reliable products and unparalleled customer service. As your fittings and valve supplier, it's our responsibility to bring increased value to your company.

DEFINING THE INSTRUMENTS

Arya is a leading designer and manufacturer for fittings, valves and accessories for the Instrumentation, Oil and Gas, and Shipbuilding industries with all necessary standards, Type Approval Certificates ( GL-DNV, ABS, NK ), ISO certification and quality oriented processes.

They have the widest range of Stainless Steel, Carbon Steel, Brass and alloys fittings on the market and with millions of fittings sold world-wide. Scope of application for the products manufactured spread to a wide spectrum including almost all the industries which require approved, quality products. **We are proud to be associated with the company as sole distributor and stockist in the UAE.**

## MARINE VALVES

**C&J CORPORATION** is one of the most well-known pipe-line manufacturer globally. Established in 1983, the firm has a history of over 27 years of producing high quality pipe-line products and providing export services to over 100 clients worldwide. Their products are manufactured in modern facilities under strict quality control system. They are certified under ISO 9001, CE/PED, CRN(Canada) and SABS. All of C&J products are in compliance with the requirements of JIS, ANSI, DIN, BS and other special requests.

### **Our stocking range which includes:**

**In Bronze material** - Gate, Globe (Straight & Angle), Globe SDNR (Straight & Angle) in JIS 5K & 16K standards. **All bronze valves are from LR approved foundry.**

**In Cast Steel material** - Gate, Globe (Straight & Angle), Globe SDNR (Straight & Angle), Storm valves (Vertical & Angle) in JIS 5K & 10K standards. **All cast steel valves are ABS class approved.**

Gemels founded in 1969 is specialized in the designing and manufacturing of ball valves for industrial & hydraulic field. Located near Milan in Italy, Gemels started to focalize and to invest more in oil & gas field since 2010 emerging as one of the leading companies in the sector.

**Gemels Product Range**

**Hydraulics Ball Valves** - 2 way / 3 way / 4 way - 1/4" (DN6) to 5" (DN125) - Max pressure: PN500 - Carbon steel / Stainless steel

**Hydraulic Valves** - Single Pilot operated check valves, Flow control Hose break valves, Non-return valves - 1/4" (DN6) to 2" (DN50) - Max pressure: PN500 - Carbon steel / Stainless steel

**Ball Valves for Oil & Gas**

Floating & Trunnion Design - 1/2" (DN13) to 24" (DN600) - ANSI 150-2500" - S800 - S3000 - S6000 - Side Entry Available on request: - 3 way / 4 way / 6 way - Fully welded - Single block & bleed - Double block & bleed - End entry / Top entry

2 Way Ball Valves

2 Way High Pressure Ball Valves

3 Way Ball Valves

Check Valves

**RUB PEOPLE THINK LEAN**

### Authorised Distributor & Stockist in UAE

Florence Marine is the sole distributor and stockist of RuB valves a world renowned company based in Italy. RuB established in 1828 manufactures shut-off valves, actuators and related accessories for gas, water, air and oil installations.

RuB is ISO 9001:2008 compliant Quality Management System. The company utilizes state of the art technology to put the valves through the most rigorous and severe tests in the industry to obtain products with full PED compliance and the highest reliability in the market.

### The Product Range

- LPG specialised valves
- Water Oil Gas (WOG)
- Industrial
- Pneumatic
- Plumbing
- OEM
- Actuators

LMC is the most remarkable brand of Turkey at Hydraulic Pipe Clamp sector which comprises 70% of its business. It has an experience over 20 years in manufacturing high quality and cost effective hydraulic and pneumatic components utilized mainly in operating machineries, marine hydraulics , energy transfer lines, construction and agriculture machineries.

LMC Hydraulic Pipe Clamps are manufactured according to international standards and grant quick and easy pipes and hoses installation together with a clean and rational pipe line. The use of LMC Hydraulic Pipe Clamps reduces significantly noise and vibration on the machinery having a direct effect on the users' health and safety.

**LMC products have LR Type Approval Certificate**

LMC Product Range

Single Tube Clamp PP

Single Tube Clamp Aluminium body

Twin Series Pipe Clamps

Heavy Series Tube Clamp Polyamide

LMC Mounting Rail with rail nuts

Mounting Rail

Hydraulic & Pneumatic Accessories

Havit Hydraulik is an international market leader for hydraulic flanges for over 30 years with its head office in Bavaria, Germany producing over 8000 different types of flanges. All products meet all of the strictly implemented requirements as laid out in the DIN EN ISO 9001 quality management documentation.

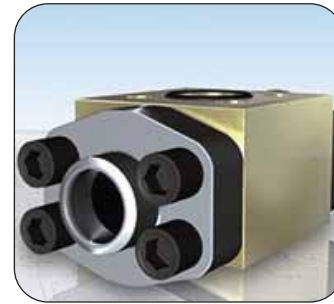

The Havit range of products covers SAE flanges (ISO 6162), VOR welding flanges (ISO 6164), gear pump flanges and also designed according to the customer's needs all be delivered in straight and 90° versions.

# BOTH - WELL

## HIGH PRESSURE FITTINGS

Both-Well founded in Taiwan 3 decades back is an established manufacturer of high quality High Pressure Forged Fittings well-recognized in the global market. Compliant with ISO 9001 and PED quality systems, it manufactures quality products at competitive prices using the most advanced production facilities in Taiwan and China.

### Production Range & Specifications

#### Type

Elbow, Tee, Coupling, Cap, Plug, Bushing, Union, Outlet, Swage Nipple, Bull Plug, Reducer Insert, Hex. Nipple, Street Elbow, Boss etc

Socket-Weld, Treaded (NPT, PT and BSP Type), Butt-Welding

#### Size

DNS 6 ~ 100 / NPS 1/8" ~ 4"

#### Pressure Rating

1) Threaded End -2000 / 3000 / 6000 LBS

2) Socket-Weld End -3000 / 6000 / 9000 LBS

3) Butt-Welding -SCH40 / SCH80 / SCH160 / XXS

Note : SCH80=CLASS 2000LBS. SCH160=CLASS 3000LBS

#### Specification

A. DIM. SPEC. :

ASME B16.11-2011(Revision of ASME B16.11-2009); MSS SP-79,83,95,97 and BS3799. JIS-B2316(JIS MARK) / JIS-B0203

B. Material SPEC. :

ASTM A105, A350, A106, A312, A234, A403. ASTM A182(F304, F304L, F316, F316L, F304H, F316H, F317L, F321, F11, F22, F91)

JIS- S25C, SUS304 / SUS304L, SUS316 / SUS316L...etc

C. Size of Raw Material : DIA.19~85mm Round Bar

Union

Street Elbow

Tee

Elbow 90°

Square Head Plug

Half Coupling

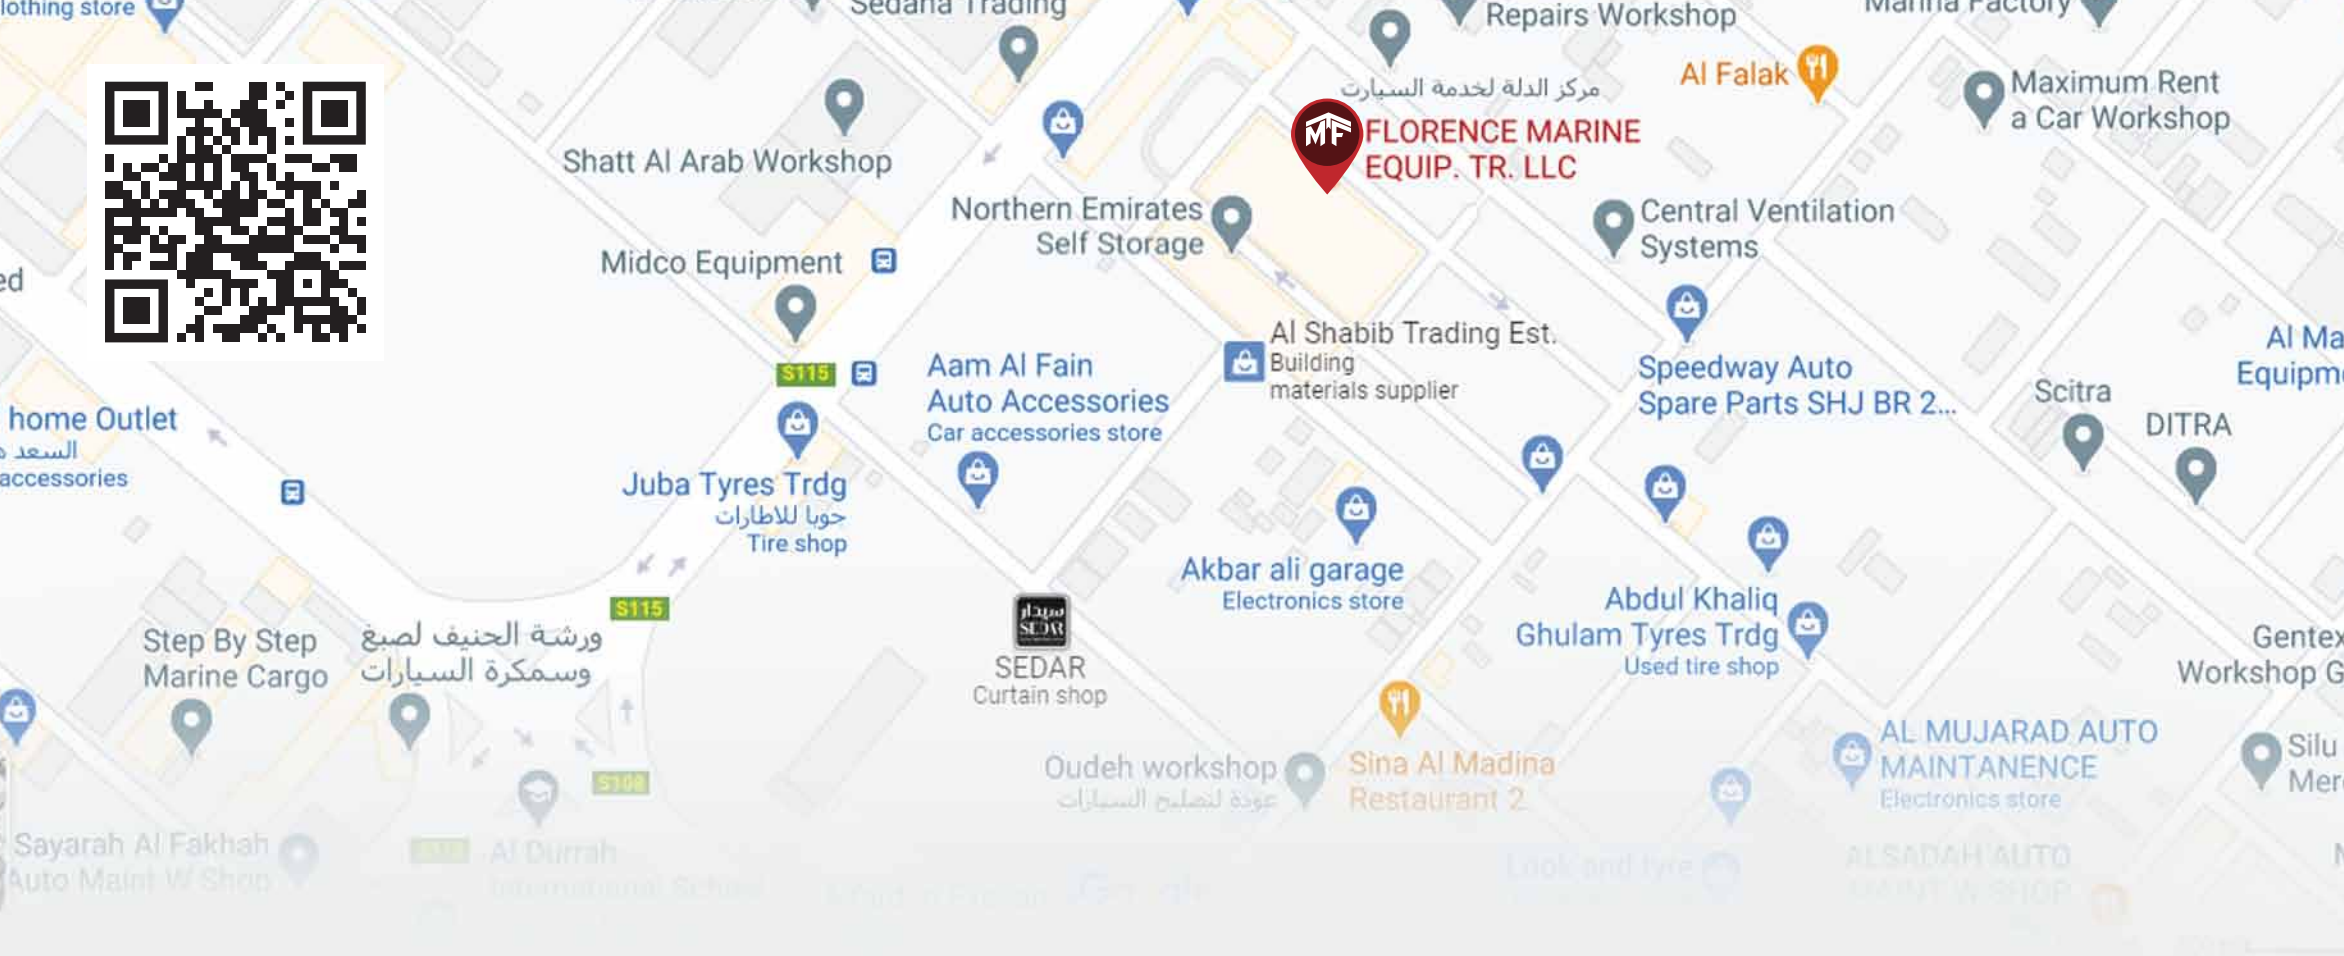

Hex Nipple

Socket Weld Coupling

Hex Head Plug
