

# INTRODUCTION

## FROM IDEAS TO REALIZATION

Always a Clever Choice of Products

Sagar General Trading is the result of brainstorming by individuals aiming to improve the current opportunities available for retail marketing solutions. They decided on a business model which gives customer satisfaction, maximum priority by focusing on products which are best suited to the customer's needs and requirements. Here, all key decisions are handled by experts with over two decades of successful experience in the concerned product lines and market. We pride ourselves on constantly adapting to meet the specific needs of our customer. We are continuously evolving and striving to provide the best possible experience to the customer when it comes to retail solutions and consultancy.

## MISSION

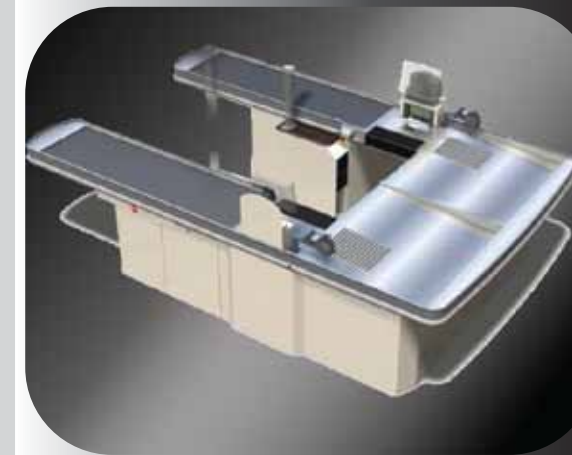

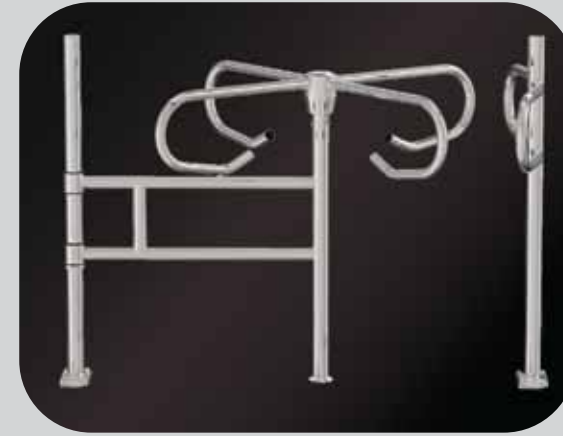

Sagar General Trading LLC specializes in shop equipment in retail food and non-food stores. We supply furniture for hyper markets, bakeries, restaurants, offices and warehouses. Creative designs by our experts, assist clients in optimizing their space and modernizing their stores with the most updated technology. Experienced and ambitious manpower with both passion and dedication monitor each and every step of the project's development to ensure the satisfaction of our clients. Installed projects are maintained by technically qualified professionals round the clock. We believe in continuity in business relations and accordingly we focus on customer satisfaction by prompt and punctual service. SGT can take up projects of any size throughout the Middle East and the Indian subcontinent.
