ABOUT US

Aldebaran Technical Services is a provider of quality technical services for businesses and corporations in the UAE. With an emphasis on providing superior quality services, our business model is focused on reliability and trust, which we believe is attributed to our success over the years.

We provide a range of technical services including electrical, painting, tiling, medical projects, and gypsum works. We also specialize in building maintenance, including supply of skilled man power for any project within the UAE. We believe in a focused approach and delivery of best in class services for our clients.

With a team of highly skilled professionals across a variety of areas, Aldebaran Technical Services continues to strive towards being a pivotal service provider in the region.

Our reputation has been built on our professional values and the quality in service we provide to all our clients. Our client list comprises of firms both overseas as well as domestic. Our approach to project ensures that each project is completed with maximum efficiency and to the highest of standards.

OUR STORY SO FAR

Since the start of our operations, we have seen rapid growth in a high demand industry that is built on reliability and trust. We believe in the almighty word of mouth, we're proud to say the majority of our new business still comes from the same. We treat every customer as if they are our first. At Aldebaran, we understand that building and maintaining a reputable organization can only be achieved with customer confidence.

AIM

We aim to be synonymous with the word trust. We strive to deliver the best in every project through a focussed approach.

OBJECTIVE:

At our core, we believe in delivering high quality services in electrical, painting, tiling, medical projects, and gypsum works. We also specialize in building maintenance, including supply of skilled man power for any project within the UAE. We believe in a focused approach and delivery of best in class services for our clients.

VALUES AND STRENGTHS:

We value integrity and reliability and as is our focus towards our clients. We strive to deliver solutions that are the best and that work for you. We aim to build on the traditional UAE values of trust worthiness and to build strong partnerships with our customers and strategic partners.

WHERE WE ARE HEADED

It's been over a decade since we launched Aldebaran Technical Services and we bring our expertise to the Gulf. Our values are the heart of our company and we strive to provide quality and customer orientated services.
