INTRODUCTION

D Force progression in becoming a fully fledged Facilities Management Service Provider has been achieved over years of strategic planning and development. D Force, through joint ventures, acquisitions and entrepreneurship, entered into different services. Undertaking general and specialized cleaning services and, most recently providing security guard's and life guard's services. Moreover, we are extremely professional and dependable in everything we do, right from putting together the terms of the contract, after considering each and every requirement of the client, to executive all the tasks in a timely and effective manner. We aim for lasting relationship with our clients and never fail to satisfy their needs. Ultimately this is what sets us apart from our competitors. The years ahead will undoubtedly bring new challenges. But we will be here anticipating the needs, coming up with the right solution, innovating and getting things done.

MISSION & VISION

MISSION

Our mission is an enduring one, it is to provide our clients a competitive advantage by simplifying their lives and by progressing and satisfying their needs. Ultimately, it is to provide a world class service experience.

We will accomplish this by being reliable, enterprising and adaptable, and by leveraging our diverse skill set and experience gained over the years to exceed customer expectations.

.....

VISION

Our vision is to be a service provider of choice in our chosen markets and to make a real difference by creating value in a dynamic and challenging business environment.

Our ethics and principles guide every aspect of our business, and wherever we operate, we act with almost responsibility.

Security Services

D Force security guards are hand-picked and mainly come from ex-armed forces or are ex-police officers or have a military background and clean records. They come with clearance from local law enforcement authorities.

All of them received training in first aid fire fighting, CCTV/DVR operations and other security basics before they are sent out for active duty, D Force security service are available 24/7 and we even provide emergency assistance with minimal loss of time. D Force conducts comprehensive training with Dubai Police Academy on the latest security procedures and provides protection for:?

- ✓ Commercial and residential buildings
- ✓ Industrial premises
- ✓ Shopping malls
- ✓ Hotels
- ✓ Schools

Life guard Services

D Force aims both to offer a valuable service to the local community, and they are all certified by American Red Cross and Dubai municipality's public health and safety Department. ?

Qualified in life saving and first aid, they are trained to prevent accident from happening and to respond immediately in emergencies. We ensure that our life guards are physically fit and motivated. D Force life guards are well aware that theirs is a serious job that requires alertness and dedication. Lifeguards monitor our pools and waterways to ensure that visitors are supervised by individuals who are properly trained and equipped to perform lifesaving, rescue functions.

CLEANING SERVICES

The cleaning management team ensures that all operatives are fully trained and that the best use is made of man and machine', coupled with sustainable cleaning practices and highly competitive prices D Force really do represent the best choice in the market?

When it comes to the equipment and chemicals used, we make absolutely no compromise to deliver optimum results with minimum footprint on the environment

D Force full range of cleaning services is available 7days a week with flexible hours.

GENERAL CLEANING SERVICES

D Force carries out a comprehensive range of internal cleaning and hygiene services for all building types and categories. Consistent with its commitment to the environment, wherever possible D Force uses sustainable cleaning materials and products at all times.

PEST CONTROL

D Force regards the safety of the environment and properties that come in the way of pest control process. We guarantee our clients total redemption from pest attack through the best pest management one can offer.

Our pest extermination package can effectively get rid off invasion of ants, cockroaches, termites, bed bugs beetles, flies, spiders, rats and other pests.

We use only government approved, registered and branded pesticides, ensuring complete safety measures and precautions with regards to health issues or other kinds of imbalance to people, pets and plants.
