★ **ABOUT US**

SubDive 360, formerly known as Chambers Oceanics FZC, is an established leader in the global offshore diving industry. With origins dating back to 1999, our company has consistently delivered high-quality commercial diving equipment and services to some of the largest contracts in the field. We have earned the trust of major industry players and are proud to be their preferred supplier.

In response to our expanding presence and commitment to excellent customer service, we've rebranded as SubDive 360. Our mission remains steadfast: to provide top-notch commercial diving equipment & comprehensive support to our clients.

As worldwide agents for leading manufacturers such as Broco, Molecular, Amron, we offer a broad range of products to meet the diverse needs of our customers. Additionally, beyond supplying diving and marine equipment, SubDive 360 is also involved in the Manufacturing & Refurbishment of commercial diving systems, including Air Diving and Saturation Diving systems
