Suiting your taste from traditional to modern style, Joy Studio will demonstrate boundless creativity for the services rendered to meet your Media Solution Requirements.

Joy Studio has grown in stature and status, thanks to our unfailing commitment to high quality customer service. Working with some of the biggest corporate houses and respected family names in the United Arab Emirates, we have earned a solid reputation for excellence in execution, promptness and service standards.

OUR SPECIALTIES

We cover the three most prospective elements of the media industry, Media production, Digital printing and Event management. Our core is to provide the best, high quality and latest technology product to our customers. Our motto is that the customer always comes first.

Media Production, Joy Studio is known to have a good reputation among mammoth video pre-post media production facilities in the Middle East for the past 35 years. Our highly trained professional editors are known to provide professional media services

Event Management, Joy Studio is one of the most known companies in U.A.E that provide media support for live events in terms of video coverage organizing even providing photo shoots for children in our specially designed photo booth.

Digital Printing, Our media warehouse has over 15,000 sq ft of space, where we have the latest digital indoor & outdoor printers for all your print needs from photo to large banners.

CREATIVE PHOTOGRAPHS

Three things that make up a great photograph, passion, practice and experience. We believe there are no ideals or guidelines to a great creative photo. It's all about instinct, we only see a story unfold in front of us. We capture important moments that have to last forever, a child waving her arms or hugging her parents says a beautiful story. We like to capture those special moments for you.

WE SPECIALIZE IN GOING BEYOND THAT CREATIVE EDGE

One of the most superb things about this new era is the use of digital photographs. Our creative team can edit or manipulate your photos discretely of course to anyway you like. If you want a family photo of you on mount Everest in 2 minutes, we can make that happen, or even a parachute dive off a plane, we still make that happen in our highly equipped professional studio. In fact we encourage you to walk in our studio in Karama, Dubai, take a look around, look at our photographers and other staff at work and if you are lucky we can fit in a professional photo shoot for you at very discount prices.

EVENTS

Joy Studio is more than just a photo studio; we handle events ranging from large corporate parties to individual private events. There are so many ways we can help a school in providing turn-key media solution. Media Coverage for all the school events that happen in the academic year and Process the digital outputs for viewing later on. We can set up the stage, lights, arena, catering, entertainment and much more. Whenever you have to plan out an event, all you need to do is reach out to us and Joy Studio will take care of the rest.
