# HEALTH, SAFETY & ENVIRONMENTAL POLICY

## Health, Safety & Environment Policy

It is the policy of NAF and key component of our culture to execute all of our activities in such a manner that will ensure the health, safety and environmental protection of all our employees, clients, subcontractors, suppliers and the communities in which we live and work.

NAF will manage and apply our HSE Management System in such a manner that every employees shall be involved and ensure the effective implementation of our HSE principles to assist the company in achieving our established goal of Zero incidents.

All managers and supervisors of NAF have the responsibility to continuously improve Health, Safety and environmental awareness among all employees, to manage proper usage of the environment, tools and equipment, and to create a culture in which everyone shares responsibility for the wellbeing of their fellow workers and the community.

All employees of NAF have the responsibility to execute their personal and work activities in such a manner as to prevent all circumstances which could lead to incidents that may cause personal injury or illnesses, security incidents or environmental damage.

NAF will measure HSE performance and, by setting challenging objectives and targets, strive for continuous improvement.

NAF will implement this policy in combination with the health, safety and environmental laws, regulations, standards and codes of practice of our clients and all applicable governmental agencies.

**Thanks & Regards**  
**Managing Director**  
NAF Contracting LLC

# QUALITY POLICY

**NAF** recognizes quality as an essential element that provides the company with its continued success within UAE and the International construction industry.

Consequently, it is NAF's policy to provide our client with products and services which fully meet their specified requirements and expectations and comply with relevant regulations, codes and standards.

**This policy is implemented in all areas of operations by:-**

- Maintaining a Quality Management System meeting the requirements of ISO 9001.
- Continually improving the effectiveness of our Quality Management System.
- Ensuring a clear understanding of our clients requirements.
- Responding to our clients needs and expectations.
- Providing the resources to achieve the quality objectives.
- Enabling all our employees to meet quality requirements and striving to achieving good work first time, every time and on time.

Consistent with this policy, specific quality objectives are established at relevant functions and levels within NAF organization. By mutual encouragement, commitment and cooperation through teamwork, all NNAF employees will perform their tasks diligently in contribution to the achievement of our quality objectives.

These objectives will be regularly measured and reflected in NAF Quality Index as a key performance indicator for our strategic objectives to maintain high quality standard.

The management of NAF is committed to active participation in the implementation and regular review of the Quality Management System and the establishment of a corporate climate, which encourages excellence through continuous improvement.

**Thanks & Regards**

Subject: Company Profile Introduction

Dear Sir/Madam,

We (NAF Contracting LLC), are taking this opportunity to introduce our Civil and MEP Company based in Dubai. We are undertaking all works related to G+1 residential and commercial building construction. We are live in the construction market of Dubai from 2015 and very actively participating in the tenders of new construction as well as operation and maintenance of residential and commercial building.

We are in need of your kind co-operation and expecting your valuable business relationship with us. We are offering less than a competitive market price for all our jobs with Quality, safety and on time completion. We hope you will consider our request and co-operate with us. Please forward your valued enquiries to [naftechnical@hotmail.com](mailto:naftechnical@hotmail.com) or contact Ratheesh.T.R, Mob: +971 52 639 8239 Estimation and Tender dept.

Please have a look at the company profile attached.

Thanking you,

Yours faith fully

JIRESH V.G

Managing Director
