SMS FASTENERS TRADING L.L.C.

COMPANY PROFILE

As one of the most trusted name in the field of fasteners since beginning, it has pioneered itself in the UAE as a leading supplier of **Industrial Fasteners, Marine Fasteners & Fixing Systems** to the **Oil & Gas, Marine, Electro Mechanical & Engineering Sectors** in UAE & Other GCC Countries.

Our wide range of products includes **Stainless Steel** Grade 304 (A2), 316 (A4) Fasteners & **High Tensile Fasteners** in 8.8 and 10.9 Grades. We import material from leading manufacturers in **Germany, Italy, UK, China, Taiwan & India.**

We have laid a strong foundation in the markets we operate and are committed to serve the local community with total integrity. Our local presence enables the local community to have top quality service to the customers in the territory. We are proud of our achievements. I am confident that we will see even greater growth and scale even greater heights in future.

We shall be pleased to have your enquires with specifications which we assure our prompt attention. Hope to hear from you soon.

Please scroll down for the list of items we distribute for Civil, Electro Mechanical & Marine applications.

Thanking & assuring you our best services all the times.

Best Regards.

Murtaza S.
