

SKILLED AND
UNSKILLED
WORKERS

ABOUT **AL RESHAH**

Al Reshah Paint and Décor Contracting is Ajman based professionally managed, well reputed Manpower Company for the field of Civil construction, Interior Fit Out, MEP& related services. We aims to establish a close working relationship with all our associates by fully understanding the requirement of each particular project and provide skilled and unskilled labor force in timely and professional manner.

MISSION STATEMENT

Al Reshah Paint and Décor Contracting is dedicated to deliver World's class manpower force to all our clients.

VISION STATEMENT

Al Reshah Paint and Décor Contracting aims to be recognized as client's first choice for manpower services for specialized and integrated construction requirements delivering premium quality skilled and unskilled manpower services across middle east.

The past has been glorious, the present promising and the future quite prospective. However, with miles of business journey still to be travelled, the Group intends to materialize its brilliant business visions and missions. Nothing stops the Group from Advancing through uncharted business world.

OUR STRENGTH

We have large pool of more than 2000 skilled and unskilled labor force from different part of the world to support your requirements on time with quality. As per the UAE law we provide all the manpower with valid visa and supply them to various industries according to the client's needs.

We also take care of the employee's safety, health insurance, workman compensation, accommodation and transportation there by reducing the clients concerns and worries.

Working together with our sister company **Al Reshah Paints & Décor LLC**, Khalid Ahmed Building Cleaning, Al Bahar Al Ahmar Building Maintenance we strive to achieve highest expectation from our clients by adhering to the highest standards of work quality

ethics and emphasizing health and safety to our work force.

Our panel of experts provide professional expertise has years of experience and knowledge which makes them to provide best manpower supply service solutions to most reputed organization & companies of major industrial sectors in UAE.

The employees and the clients, the true wealth and source of inspiration of the group, stood by us all through the triumphant journey in the past eight years of our business life.

Reasons to choose us as your Manpower Supply Company

Save money, as an employer point of view the ultimate goal is to find best manpower for their own company. To find the best available talent you have to identify the right candidate and place him on the job. It takes lots of efforts and time to find the perfect manpower for your organization. When you use our manpower supply services in UAE it can be advantageous for you because you do not have to spend extra money on recruitment and training of your employees. Our team of experts are specially trained for such kinds of recruitments in time can help the companies in saving their operational cost to a greater extent. **Negotiable Rates** being an added plus point, we are known for placing required manpower at negotiable hourly rates.

ESTABLISHMENT

Al Reshah Paint and Décor Contracting was established last 2005 providing top caliber manpower force to all our clients and maintain a strong reputation for providing cost effective manpower supply for general and technical solution.

Our manpower supply service is available throughout the seven Emirates of UAE.
