About us

Outfitting your business with professional apparel and supplies.

KIWI being the exotic fruit it is, one of the most beautifully designed creations of the Lord, we derived our brand name to reflect the sheer finish, uniqueness and freshness in our designs. With over 2 decades of expertise in textiles at KSA and operations across the MENA region, we believe that our extensive knowledge and experience in the region and industry will complement in ensuring that our products will support in further enhancing the brand value for our valued customers.

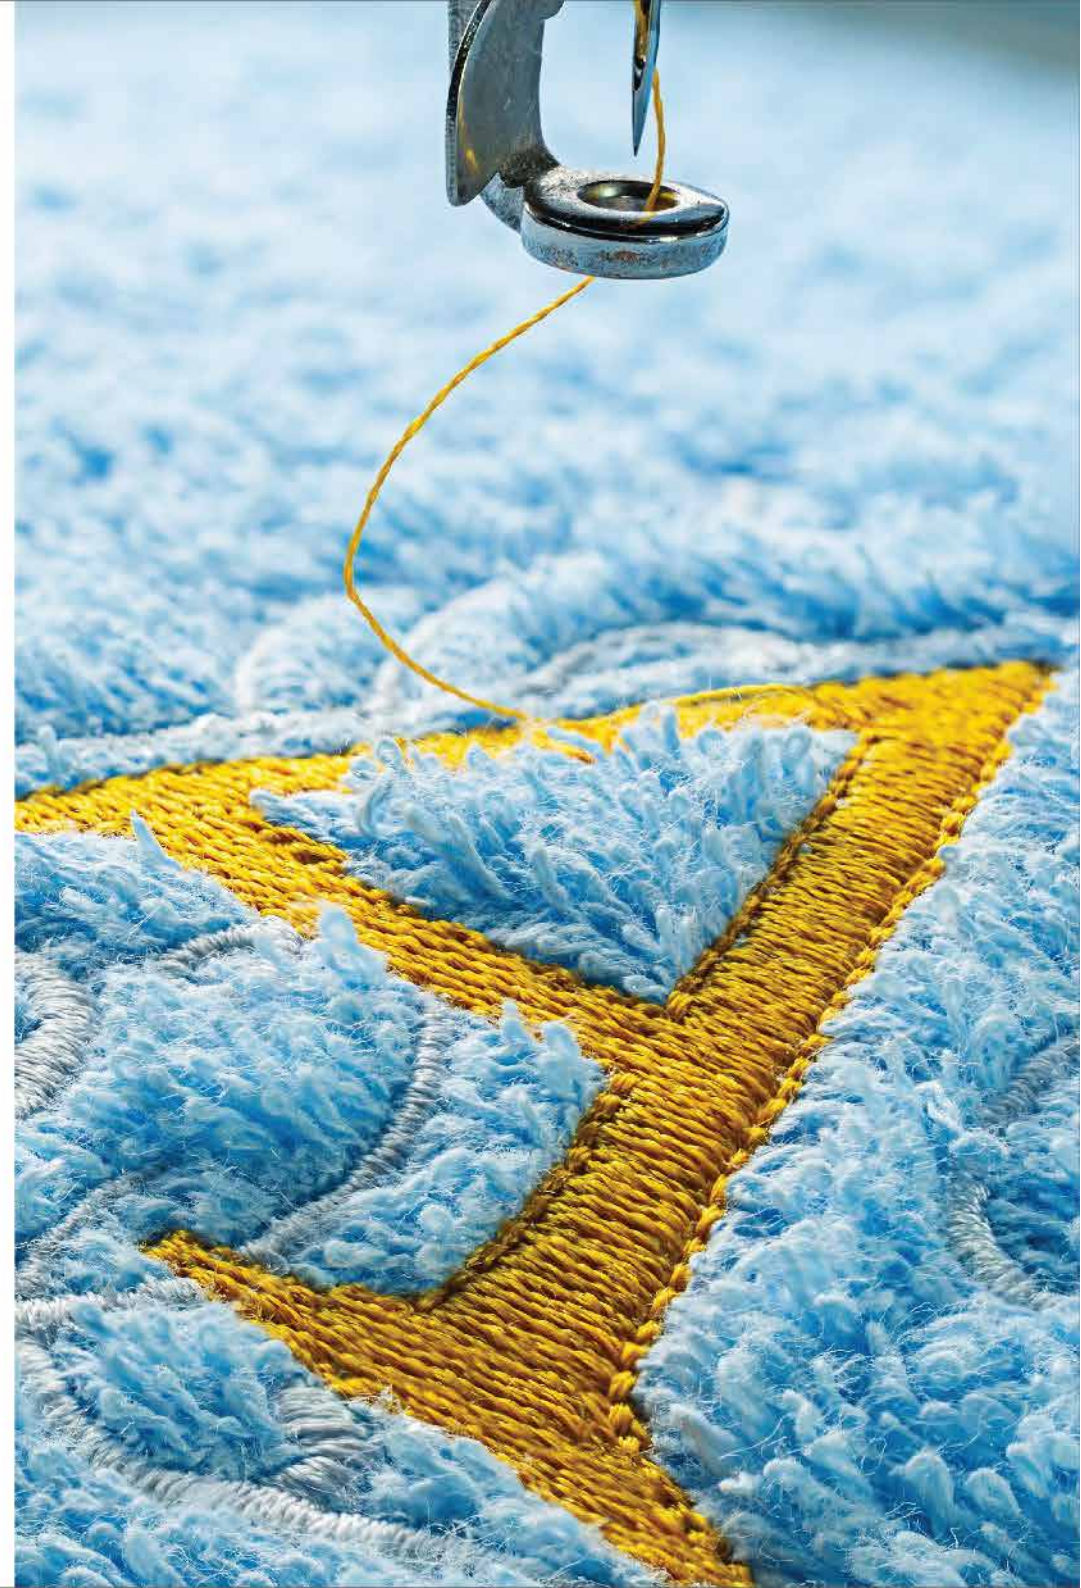

At KIWI, we look forward to supplying uniforms, garments, accessories, linens & safety products across several sectors including Aviation, Hospitality, Education, Industries, Corporate and Healthcare.

We leverage insights to ensure that the products and services we extend makes an impact on our client's business. Our core business principal is to ensure our products are produced with the highest quality fabric and production techniques. Our dedicated team of knowledgeable customer service representatives are always committed to ensuring our client's satisfaction.

Our range of services and supplies includes:

- High-quality uniforms tailored to suit your unique business needs
- Garments and Accessories
- A wide range of linens for the Hospitality and Healthcare sector
- Safety apparels and protective equipment

In the words of Directors, KIWI Trading will be a cut above the rest and always strive to stay distinctive from similar trade players.
