The House of World class & Excellent Lubricants

Our Vision

Our Vision is to build a strong foundation in the world of lubricating oil industry and to become a partner of choice by giving comprehensive technical solutions, innovated products and our sincere commitment.

Based in USA, Rida Lubricants is a high-quality **ISO Certified** manufacturer of specialty lubricants and additives for all kinds of vehicles, machinery, heavy duty applications in the oilfield, pipeline, refining, petrochemical, and mining industries **approved from the API.**

With a proven track record of supplying lubricants, metalworking fluids, cleaners, Engine Oils and Grease/ATF for all kinds of vehicles, Rida Lubricants can fulfill the needs of a wide variety of industries.

We strive for the highest levels of customer service to ensure your manufacturing operation runs smoothly without any interruptions.

With our years of expertise and responsiveness, we focus on building long-lasting relationships with our customers to help you grow with us. We offer custom-blended formulations developed by expert chemists to ensure all specifications are met.

With a focus on service, we work alongside your team to mitigate and prevent issues that may cause delays or even shutdowns.
