# Success Policy

# Industries Covered

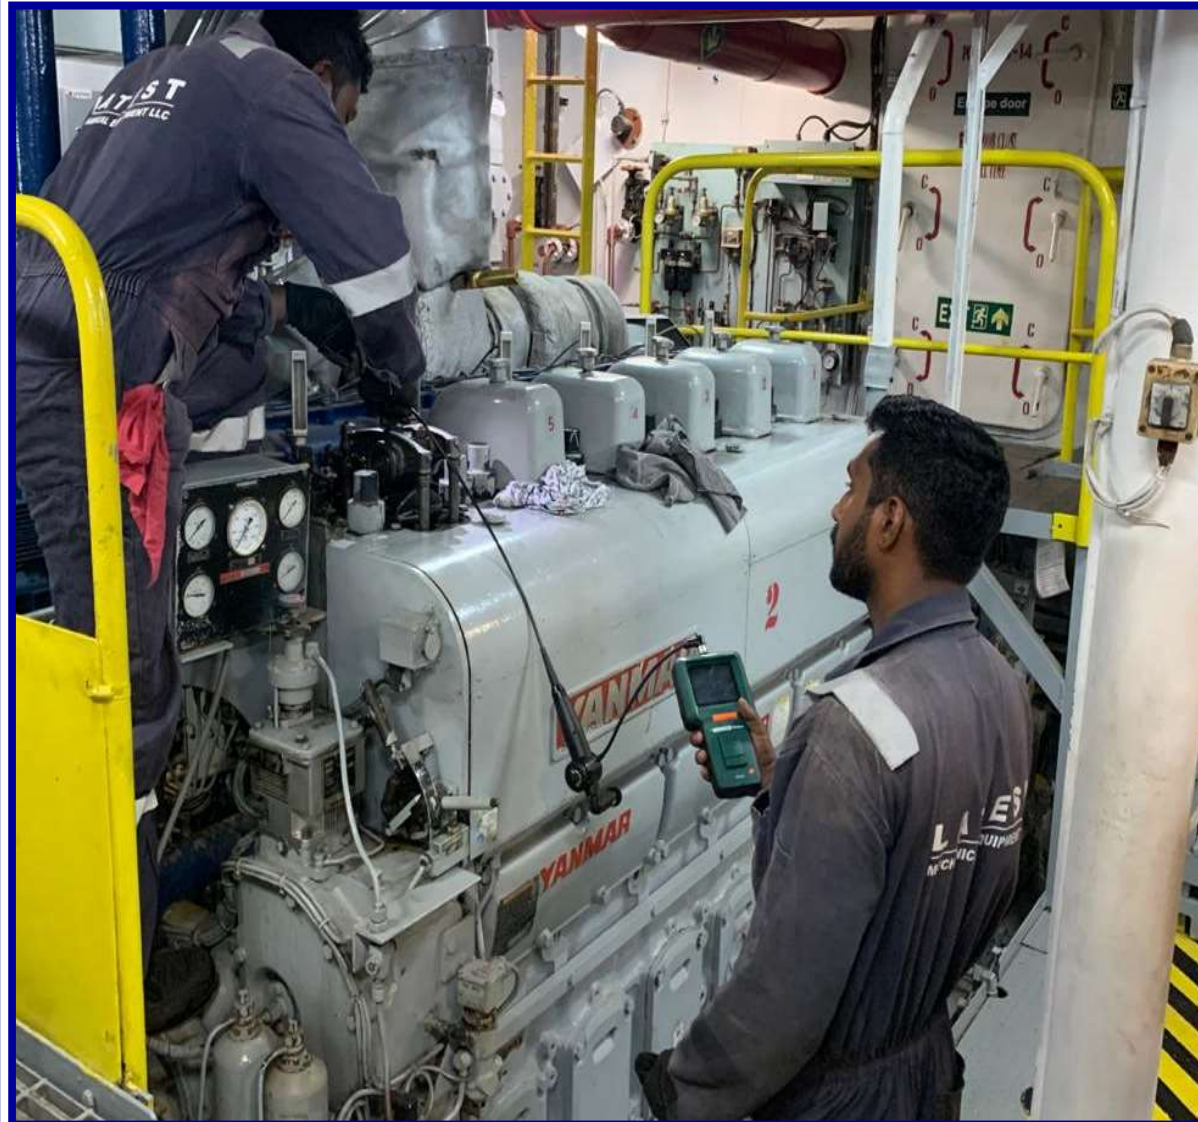

## Complete solutions for Diesel Engines/Overhauling of Diesel Engine ( All major Brands )

- **Top Overhauling(in-situ)**
- **Major Overhauling (in-situ)**
- **Health check using Boroscopic Tool**
- **Dyno Testing**
- **Software diagnosing / Calibration**
- **OBM Engines**
- **Fuel System solutions**
- **Turbo charger overhauling**
- **Coolers Service(Plate & Bundle)**

## Rewinding of Motors & Alternators :

### Rewinding of Motors and Alternators ( 0.5 – 3000 kW )

- Electrical LT – HT Motor Rewinding  
( AC / DC )
- Rewinding of Alternators
- Overhauling of Pumps

## Mechanical Repairs (Maintenance / Repair / Refurbishment )

- Diesel Generators
- Forklifts-Side Loaders
- Manlifts
- Air Compressors
- Welding Machines
- Tower Lights
- Hydraulic Power Packs  
(Service & Manufacturing)
- High Pressure Water Jetting Machine

# Mechanical Repairs ( Maintenance / Repair / Refurbishment )

- **Winches**  
( Hydraulic & Mechanical )
  - **Hydraulic Cylinders**
  - **Mobile / Marine Cranes**
  - **Triplex Pump**
1. **Cementing Pumps**
  2. **Mud Pumps**
  3. **Acid Pumps**
  4. **Nitrogen Pumps**
  5. **Oil Pumps**

## Mechanical Repairs ( Maintenance / Repair / Refurbishment )

- Off Road Trucks
- Laser Alignment
- Zone I & Zone II  
Equipment Solutions
- Crane Hooks
- Transmissions
- Gear Boxes
- Fire Engines
- Fire Pumps
- Blowers
- Pneumatics

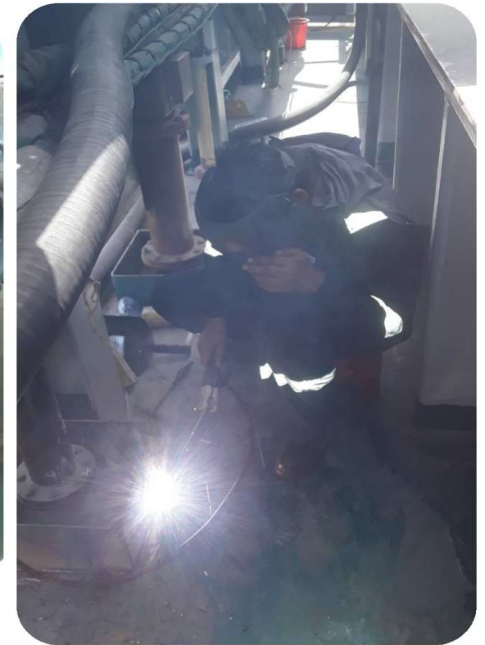

**Overhauling of 100 Ton Crane Hook & Loading with 7**

**TON Forklift by LME Team**

## Fabrication Services

- Marine Sea Water Pipelines
- Sea Chest Strainers
- Barge Repairs
- Aluminium Welding
- Generator Canopy Acoustic
- Exhaust Piping, Installation & Insulation
- Diesel Tanks Fabrication & Installations
- Surface Preparation & Painting

## Electrical Services

- ATS Panels
- Synchronization Panels
- Distribution Boards
- Change Over Switches
- Megger Testing
- Motor Starting Panels
- Zone I & Zone II Panels
- 50 Hz & 60 Hz Programming
- Deepsea Programming

# **LME Major Client's**

- Al Mansoori Production Services
- Zakher Marine International Inc
- Allianz Middle East Ship Management LLC.
- Schlumberger Middle East SA
- Prezioso Emdad
- Al Jaber Marine
- Macgregor ARE LLC.
- Marine Capabilities ( MARCAP ) LLC.
- Descon Engineering
- Site Technologies

- GISCO – Gulf Industrial & Services Company
- ADOS – Abu Dhabi Oilfield Services
- Target Engineering
- Xervon Industrial Services
- Hydroflow Pump Rental Est.
- Hyundai Engineering
- Speedy International Assets Services LLC.
- Al Masood MTU
- Al Masood Power Division
- A M Marine

## **Some of Timebound Project's Achievement's**

Project Details	Project Deliverables
<p><b>Client : Al Mansoori Pdn Services LLC.</b></p> <p><b>Description : Major Overhauling of Oil Well Pump RIP-008</b></p>	<p><b>Deliverables : Overhauling of Oil Well Pump X 1 No</b></p> <p><b>Achievements : Complete Overhauling owas done by our Team with target delivery time by overhauling of Engine Detroit 8V92, Allison Transmission &amp; Oil Well Pump SA640 with Skid Fabrication</b></p>
<p><b>Client : Al Mansoori Pdn Services LLC.</b></p> <p><b>Description : Complete Refurbishment of Tripex SPM Pump APU0003</b></p>	<p><b>Deliverables : Complete Refurbishment of SPM Pump</b></p> <p><b>Achievements : Complete Refurbishment was been carried out with minimum targeted cost by Overhauling of Detroit Series 60, Allison Transmission 4000 Series, SPM Pump TWS600S 4.5".</b></p>

Project Details	Project Deliverables
<p><b>Client : Zakher Marine Intl Inc</b></p> <p><b>Description : Top Overhauling of Nigata 6L25HX ( 2 Nos )</b></p>	<p><b>Deliverables : Top Overhauling of Nigata 6L25HX X 2 NOS</b></p> <p><b>Achievements : Job was being carried out at Dubai Port at Vessel Zakher Provider. Completed in 7 Days within limited Time Frame.</b></p>
<p><b>Client : Hyundai Engineering</b></p> <p><b>Description : Rewinding of 1500 Kva Alternator</b></p>	<p><b>Deliverables : Rewinding of 1500 Kva Alternator</b></p> <p><b>Achievements : Job was completeted with full satisfaction as per customer requirement and even though winding wires was being imported from Overseas.</b></p>

Project Details	Project Deliverables
<p><b>Client : GISCO – Gulf Industrial Services Company</b></p> <p><b>Description : Major Overhauling of CAT 3208</b></p>	<p><b>Deliverables : Major Overhauling of CAT 3208</b></p> <p><b>Achievements : Actually the end user of the engine was UAE Military and being used on very critical operations, Delivery was done in 7 Days including Dyno Testing.</b></p>
<p><b>Client : Allianz Middle East Ship Mgmt LLC.</b></p> <p><b>Description : Overhauling of KTA 19 x 2 Nos</b></p>	<p><b>Deliverables : Overhauling of KTA 19 X 2 Nos</b></p> <p><b>Achievements : Parts was also sourced by Us and at very competitive price for Genuine parts and we have completed 2 Engines where our Competitor has completed only one engine within the given Time Frame.</b></p>

Project Details	Project Deliverables
<p><b>Client : Mermaid Marine Services LLC.</b></p> <p><b>Description : Top Overhauling of KTA 50</b></p>	<p><b>Deliverables : Top Overhauling of KTA 150</b></p> <p><b>Achievements : As this Job was done middle of the Sea as Engine was brokedown.</b></p>
<p><b>Client : Pioneer Engineering</b></p> <p><b>Description : Major Overhauling of BF4M2012</b></p>	<p><b>Deliverables : Major Overhauling of BF4M2012</b></p> <p><b>Achievements : As customer was very much happy with the Quality as this Unit was being repaired and Delivered to South Africa.</b></p>
