يونى كلين ذ.م.م.
UNICLEAN L.L.C.

A group of dedicated professional took it as a challenge to deliver world class products in the field of cleanliness, hygiene, and sanitation, and the result outstanding - the very birth of UNICLEAN.

They produced all the necessary machineries, equipments, supporting materials, and consumables in their own manufacturing units, and if necessary, mobilized globally reputed brands to ensure uninterrupted availability.

They mould and develop expertise to match international standards in the field of cleanliness, hygiene, and sanitation by imparting professional training to personnel engaged in the field, adopting the most modern and scientific methods.

And soon enough, UNICLEAN earned the reputation as, perhaps, the only one of its kind, that ensures availability of all the necessary products along with their after sales service and maintenance facility, to domestic and commercial consumers, under one roof. And this is the factor that has helped the company grow remarkably.

The promoters, professional stalwarts, with-in depth knowledge of the products and their applications and vast experience in housekeeping, facility management, trading et., in Europe and the Middle East, form a strong base for the company and render it enviable competency levels.
