

IRONCLAD
STEEL INDUSTRIES

VISION

Become the most trusted steel fabrication service provider by offering complete range of solutions, employing latest technology, highly qualified and competent workforce to ensure quality and timely delivery to our valued clients and apply the best technologies available in the market.

MISSION

Invest and grow relationships with developers, investors and service providers to provide best fit solutions to mutually benefit and to sustain productivity and growth.

Achieving excellence in our services by constantly meeting our clients requirements of time cost and quality, while maintaining a clean and safe work environment, through continuous product and process innovation, improvement and training.

VALUES

Integrity

We believe in standing on what we say and understand the importance of trust in every association with our customers, suppliers and the wider community

Quality, Safety and Health

We are passionate about excellence and providing value to our customers and the wider community. We are relentless in keeping people safe from harm.

Innovation

Keeping in line with our vision we develop, utilize and integrate world-class technologies in order to continually improve

Relationships

We build positive, long-term relationships with our customers, partners, subcontractors, suppliers, and colleagues.

Sustainability

We improve the quality of life in communities where we work by respecting local cultures, engaging local people, and protecting the environment

Commitment

We stand by our commitment to provide excellent solutions, products and services that impact lives within and outside our organization.

ABOUT US

Ironclad Metal Industries was established in 2014 in the Emirate of Dubai – UAE to offer steel fabrication assistance to residential, commercial and industrial sectors. We are proud to introduce ourselves as one of the very reputed company, executing very prominent projects in the UAE and other GCC countries.

We actively serve property/villa owners in communities of Jumeirah Island, Palm Jumeirah, Jumeirah Park, Arabian Ranches, Springs, Meadows, Emirates Hills, Dubai Hills, Bvlgari Island and so on.

Our professional and experienced staff holds more than 25 years of experience. Our integrated quality, Health & Safety, Environment management systems are independently assessed and we have ISO 9001 certification. In order to stay up-to-date with advancements of technology, our leadership consistently develops professional partnerships as well as encourage its team to learn and apply the best technologies available in the market.

Customer satisfaction is at the forefront of our every decision.
