## FORTUNE PACK SIGNIFIES QUALITY & TRUST WORTHINESS

We embark upon building trust worthiness through our excellent quality products. We also strive to head start on providing the Supreme Quality Labelling and Packaging and establish ourselves as a labelling expert in today's competitive edge.

Fortune Pack support you in building your brand's identity. Quality assurance is our ultimate priority. We strive to extend our reach across African and Middle Eastern markets. We work towards achieving the most advanced technology in packaging making it cost effective.

Fortune Pack is the perfect choice if you are looking for high-quality packaging. Customer satisfaction and their trust is our highest adage. Our experts at Fortune Pack cater to all your special requirements.

In our commitment to being a leader in packaging, we continuously invest in research and development to bring innovative and eco-friendly solutions to the market. Sustainability is a core value at Fortune Pack, and we are dedicated to reducing our environmental footprint through recyclable materials and efficient production processes, ensuring a greener and more sustainable future for all.

## SUPERIOR QUALITY

Our state-of-the-art manufacturing facility, innovative strategy and exceptionally skilled team members empower our organization with proactive and committed services to meet our deadlines and to deliver on-time. The world-class expertise and capabilities are our USP's that ensure to provide solutions to all your packaging problems and needs. We prefer quality assurance, making it a major aspect in our process. We take a great pride of having a powerful capacity of sales across African and the Middle Eastern markets.

## CORE PHILOSOPHY

- ⊗ To provide Supreme Quality Assurance for our clients.
- ⊗ We understand that time is precious and we promise On-time delivery to all our clients.
- ⊗ With our packaging, the products look brighter and livelier.
- ⊗ 24/7 services are our speciality.

## SELF ADHESIVE LABELS

Self-Adhesive Labels are the best choice for all kinds of beverages, food, edibles, lubricants, oils labels. Our impressive ideas and creativity provide our clients with a variety of ideas for their labels. We understand the importance of packaging and how it affects the sales indirectly and that gets evident in our innovative and technology driven application. Our priority always remains in providing superior quality labels to our consumers.

## PVC/PET SHRINK SLEEVES

PVC/PET Shrink Sleeves are perfect choice for cosmetic, shampoo, Water, Juice etc. These Labels are printed with advanced technology and 360 degree graphics on the products. These are quite flexible for using them on any container to visibly show the shape of it. Fortune pack also offers desired colour and unlimited designs to give your product the perfect look. Shrink Sleeves also enhances the appearance of the product by reflecting supreme quality in the product and gives a longer shelf life.

## WRAP AROUND LABELS

Wrap around Labels are perfect choice for cold drinks, water Bottle, Carbonated drinks, Beverages etc. By taking everything into consideration about the handling process, these labels provide the maximum appeal to the products. The graphics are bright and done as per the client's desire and wish. These uniquely made labels are applied to the whole circumference of the container.

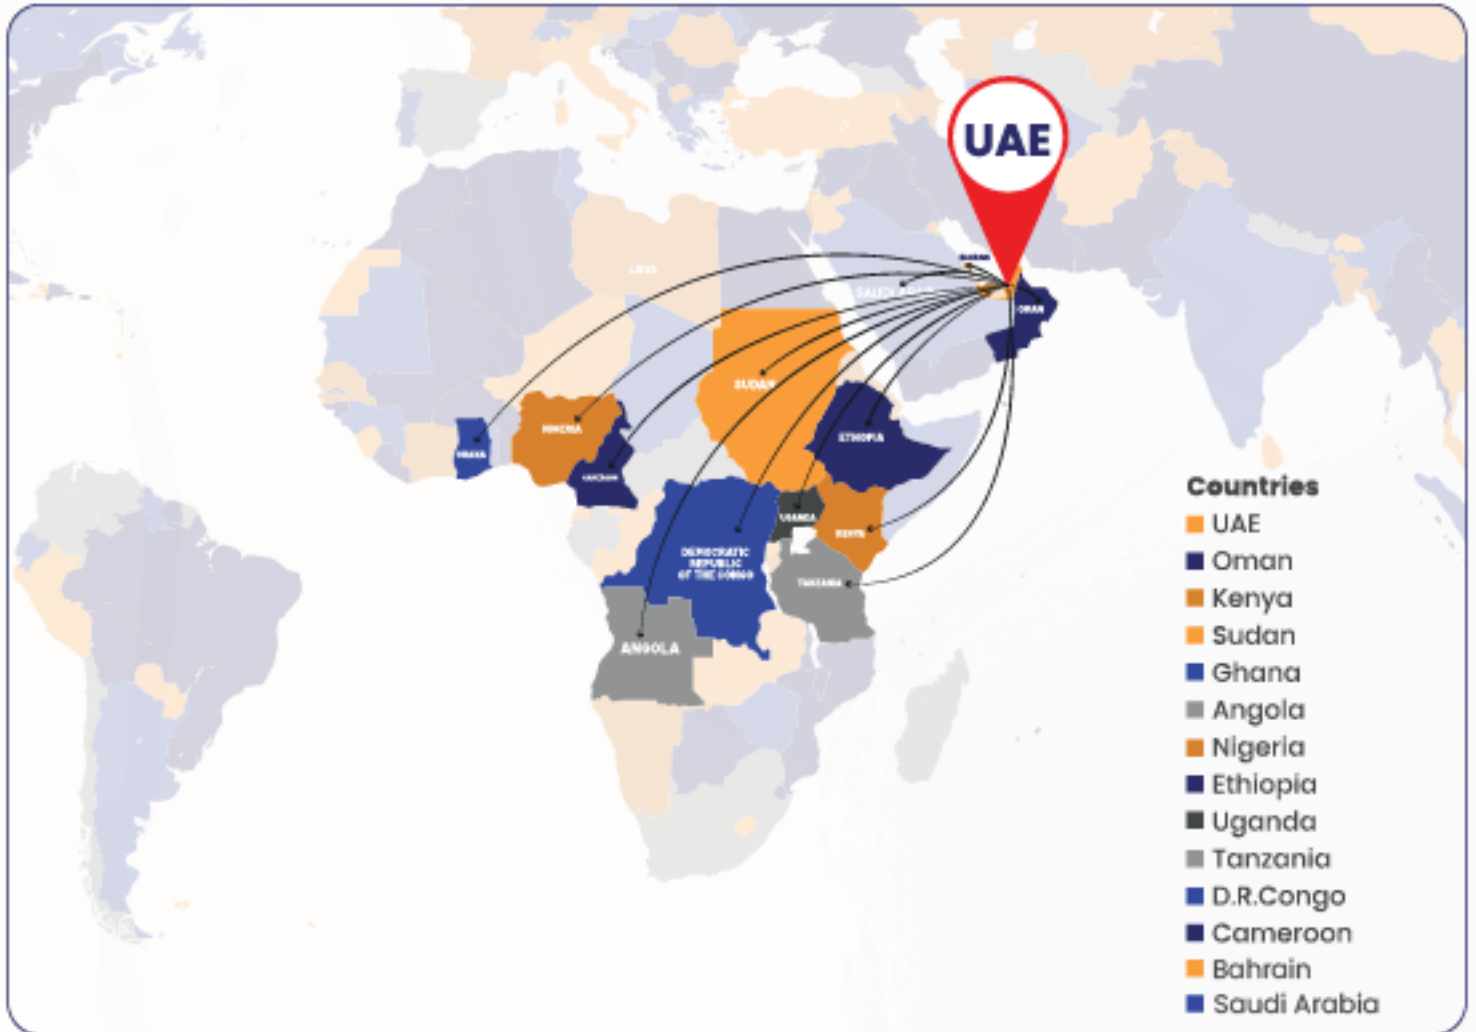

**AVIATION TAGS  
BOARDING TAGS  
BAGGAGE TAGS**

Fortune's aviation and baggage tags are a great choice for Aviation Companies. They're strong, so they last a long time. You can make them your own by choosing different designs. They're made to handle the rough and tumble of travel, so your stuff stays safe. If you want tags that show your style, keep your things secure, and don't wear out, go with Fortune.
