Low & Medium Pressure Compressed Air Systems

Airpol

AIRPOL - POLAND

Authorized Distributor of Airpol in the Near/Middle East and Africa

Complete Compressed Air Packages:

- SCREW Oil Injected & Oil Free
- Direct Drive 1:1
- Fixed Speed or Variable
- Scroll Compressors
- Dryers & Filters
- Boosters & Blowers

Ranging from 2 KW up to 315KW & pressure up to 40 bar

We also offer a complete line of **3 Bar Oil Free Screw Compressors.**

100 % OIL FREE Compressed Air –
Guaranteed Non-contact, non-wearing labyrinth seals prevent bearing lubricant entering the compression chamber

Low & Medium Pressure Compressed Air Systems

AtlasGreenair

ATLAS GREEN AIR

Authorized Distributor of Atlas Green in the Near/Middle East

Complete Compressed Air Packages:

- SCREW Oil Injected & Oil Free
- Direct Drive 1:1
- PMI motors
- Fixed Speed or Variable
- Scroll Compressors
- Dryers, Filters and Tanks

16 bar compressor packages for laser cutting machines

100 % OIL FREE Compressed Air –
Guaranteed Non-contact, non-wearing labyrinth seals prevent bearing lubricant entering the compression chamber

AtlasGreenair

Low & Medium Pressure Compressed Air Systems

SIAD - ITALY

*Authorized Distributor of SIAD Compressors
in UAE and Oman*

Leading manufacturer of **PET compressors** for the
Drinking, Beverage & Food industries

Low & Medium Pressure Compressed Air Systems

PET Bottle Blowing

ADICOMP – ITALY

OIL FREE Piston Compressors AND PET Compressor Range

The Adicomp PET **Screw/Screw SS** or **Screw/Piston SP** Range provides higher volumes of oil free air utilizing energy efficient equipment and components.

Low & Medium Pressure Compressed Air Systems

Pneumofore 

**SWISS ENGINEERING
ITALIAN DESIGN
GLOBAL PRESENCE**

PNEUMOFORE - ITALY

Leading manufacturer of **low pressure Rotary Vane Compressors & Central Vacuum Pumps** for the glass, printing food, can and many other industries

Low & Medium Pressure Compressed Air Systems

ULTRAFILTER - GERMANY

Authorized Distributor of ULTRAFILTER in the Near/Middle East and Pakistan

Complete system of filtration & separation products for compressed air systems & liquids. Our **GERMAN** technology in the field of compressed air, gas & fluid separation extends from the compressor room to all points of use in the factory.

BEKO - GERMANY

Authorized Distributor of BEKO in the Near/Middle East and Pakistan

known for compressed air technology "at its best". For more than two decades, **BEKO** has developed, manufactured and sold high-quality, reliable and efficient components & systems for compressed air processing & condensate technology.

BEKOKAT®
OILFREE SYSTEM

Low & Medium Pressure Compressed Air Systems

BEKO - GERMANY

Measurement Systems

Beko became the world leader in Manufacturing and Supplying Measurement Systems for compressed air and gases

- **OCV for Oil Measurement**
- **Mobile Measurement systems for Oil and particles**
- **Medical Measurement systems**
- **Dew Point up to -100 C**
- **pressure and temperature sensors**
- **Flow Meter up to 50 bar**
- **Leak detectors**

LEYBOLD- GERMANY

Authorized Distributor of LEYBOLD in the Near/Middle East and Pakistan

Leybold GmbH, based in Cologne, is part of the group **Atlas Copco**. The company's core competencies are based on **the development of components and systems for the generation of vacuum and gas management engineering.**

For over **170 years Leybold** designs and manufactures pumps and complete systems, both standardized or tailor-made: as you need! Since **Leybold's founding in 1850**, we have been pioneers **in vacuum innovation** and our passionate employees have been at the heart of the company's success. Their innovation, commitment and expertise are the reasons we are trusted by customers around the world.

- ✓ **Central Vacuum Screw Pumps**
- ✓ **Oilfree Claw Vacuum pumps**
- ✓ **Oilfree Rotary Vane Vacuum**
- ✓ **Turbomolecular vacuum pumps**
- ✓ **Roots Vacuum Pumps and Blowers**
- ✓ **Ultra high Vacuum pumps**

Blower & Vacuum Technology

NAMWON
TURBOONE

NAMWON TURBO ONE

Authorized Distributor for NAMWON in the Middle East and Pakistan

Wide product range of Turbo Blowers

- ✓ **OILFREE TURBO BLOWERS**
- ✓ **Variable Speed**
- ✓ **Up to 2 bar**

Blower & Vacuum Technology

MAPNER - SPAIN

Authorized Distributor for MAPNER in the Middle East and Pakistan

Mapner is a leading manufacturer of rotary pneumatic pumps, for air and other gases, in pressure and vacuum solutions, for the Waste Water Treatment Plant, Environment, Oil & Gas, and Cement market.

- ✓ Side Channel Blowers
- ✓ Rotary Lobe Compressors
- ✓ ROOTS BLOWERS
- ✓ Turbo Blowers

Blower & Vacuum Technology

I.VA.CO/EMMECOM SRL – ITALY

Authorized Distributor for IVACO in the Middle East and Pakistan

Wide product range of **Vacuum & Blowers**

- ✓ **Side Channel Blowers**
- ✓ **Liquid Ring Pumps**
- ✓ **Claw pumps**
- ✓ **Rotary Lobe Compressors**
- ✓ **ROOTS BLOWERS**
- ✓ **Linear Membrane Blowers**

Blower & Vacuum Technology

I.VA.CO SRL - DIFFUSERS

Designed to meet standard applications or special working conditions. The working range is from 50 up to 1.000.000 cubic meters of flow

Blower & Vacuum Technology

MORO- ITALY

Axial, Centrifugal Fans & Odor Control
Authorized Distributor of MORO in the Middle East

Designed to meet standard applications or special working conditions. Fans can be built both in fabricated steel or special alloys, according to customer's specifications. The working range is from **50 up to 1.000.000** cubic meters of flow. The working pressures are between **50 and 50.000 Pascal**. The wing profile of the impellers grant higher efficiency. A wide range of accessories is available.

Low & Medium Pressure Compressed Air Systems

PARKER TRANSAIR – FRANCE

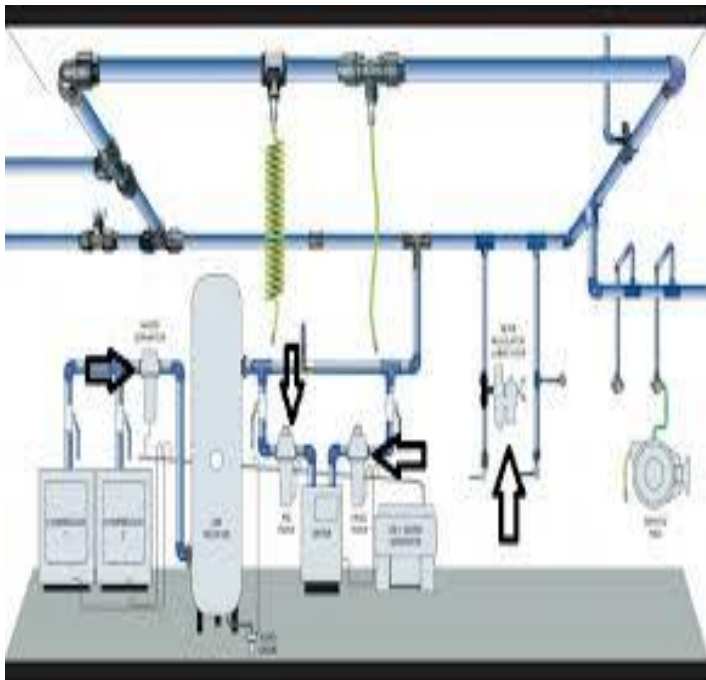

*Authorized Distributor of Parker -TRANSAIR
in the Near/Middle East and Pakistan*

Worldwide leader in producing **Aluminum & Stainless Steel Pipes** with push-to-connect fittings and valves. It is your best choice for distribution system of:

- 1. Compressed Air & N₂**
- 2. Vacuum**

Pipe size:

- ✓ 6" (168 mm)
- ✓ 4" (100mm)
- ✓ 3" (76mm)
- ✓ 2-1/2" (63mm)
- ✓ 2" (50mm)
- ✓ 1-1/2" (40mm)

- ✓ 1/2" (16.5mm)

Automation & Instrumentation

NORGREN – UK *Authorized Distributor of NORGREN in the United Arab Emirates and OMAN*

Actuators

The largest selection of Linear and rotary actuators including VDMA cylinders, rodless and compact cylinders.

Fittings and Tube

Polyurethane, superflex nylon and braided hose
Wide selection of ONE TOUCH fittings 4mm to 14mm, QUICK-FIT couplings, hositails, adaptors, plugs and nipples also available.

Valves

Mechanical, air pilot, process and electro-pneumatic valves. Individual or manifold mounted and pre-wired. From M5 port to 8" in all types(NPT, G, BSPP, flanges, SAE) compact high flowing and robust.

Air Preparation

Filters, regulators, lubricators, silencers, exhaust cleaners, Gauges and Modular Assemblies available.

INDUSTRIAL HEATING

I.C.I. Caldaie Spa - ITALY

Authorized Distributor of ICI in the United Arab Emirates

The most reputable manufacturer of **Heating, Hot Water & Steam Boilers** as well as **Thermal Oil Boilers And Accessories.**

Delivered over 20,000 boilers to more than 150 countries throughout the world.

INDUSTRIAL HEATING

ICI - ITALY Accessories

INDUSTRIAL HEATING

VALSTEAM ADCA - PORTUGAL Steam Accessories

Specialized in **designing & manufacturing Steam Equipment.**

World leaders in firing technology for more than 80 years

Provide Solution for all steam fields

- ✓ Condensate & compressed air traps
- ✓ Air eliminators
- ✓ Pressure reducing valves
- ✓ Humidity separators
- ✓ Heat exchangers
- ✓ Steam injectors
- ✓ Control valves

PROCESS COOLING

MTA - ITALY

Air & Water-Cooled Water Chillers *in the United Arab Emirates, OMAN and Jordan*

The new air and water cooled chillers are specifically designed for use **in industrial applications and high ambient Temperature.**

MTA chillers guarantee EER energy efficiency levels at the top of the category. The innovative evaporator-in tank configuration ensures reduced ambient heat gain and a steady temperature of the process fluids.

Process Filters

ULTRAFILTER - GERMANY

*FT is the Authorized Distributor of
ULTRAFILTER in the Middle East*

A complete range for the process filtration of
Steam & Sterile Filters For Air & Water.
Our products are in compliance with the
FDA and USP Class VI

Product Range:

- ✓ P-SRF Sterile Filter for compressed air
- ✓ P-BE vent filter
- ✓ P-GS steam filter
- ✓ PG-EG stainlesssteel housing for gases
- ✓ PF-EG process housing for liquids
- ✓ P-EG stainlesssteel housings for Air

Air and Steam Audit

In the field of compressed air and Steam , the measurement technology provides the data base for the assessment and assurance of the compressed-air / Steam quality and for the identification of hidden cost drivers.

Audit: FT can audit your compressed air or steam system, including data-logging and leak detection. This service will establish your current compressed air or steam usage, efficiency and wastage. The final report will comprise the Audit findings and provides recommendation and solutions to reduce your energy, maintenance costs and improve the systems efficiency, productivity and quality.
