CEO Says

Our commitments are our drive where we go above our customers' expectations. Our philosophy lies within our business transparency as our doors are always open to all our dealers for a future relationship.

What We Do

Furthermore, our core focus lies in providing customized integrated products and services with well-established infrastructure, equipment, and manpower to support and supply turnkey solutions for various industries, we are also one of the best generator companies in UAE.

Additionally, we provide the newest solutions in power generator technology equipment, allowing us to offer our customers the simplest product and therefore the absolute best service.

Hence, our objective is to serve customers to the utmost by providing them with the best-in-class electric generators, reliable door-to-door delivery, and after-sales service at competitive market prices.

We still build our solid reputation for excellence and response, while delivering reliable and tailored solutions to satisfy the customer's requirements.

About Us

We take profound pleasure to introduce ourselves as one of the oldest supply and maintenance of diesel power generators in Africa and the Middle East since 2012 Accurate Power Industrial General Trading LLC strives to be the leading company within the supply and maintenance of Diesel Power Generators.

Moreover, our team of experienced and efficient employees is committed to doing so with the help of their objectives and quality management system.

Industrial Equipment Supplier

Accurate Power Group is dedicated to providing you with hard-to-find Industrial Equipment.

Additionally, our expensive inventory is Generators, Air compressors, water pumps, water drilling rig trucks, power tools machines, and safety products guarantee that you will never have to want for your Industrial Equipment.

Also, Accurate Power Group has a team of salesmen to provide the client with results-driven solutions, which include the best price and delivery for time-sensitive Industrial Equipment.

We continuously meet and exceed our clients' expectations by delivering industrial equipment on time and as per the required specification.
