MESSAGE FROM THE CEO

Dear Valued Customers and Partners,

I am profoundly grateful to share QCON's vision of becoming the region's premier authorized technical distributor for the world's leading construction solution brands. Our goal is to provide an unmatched experience, uniting multiple stores under one roof for seamless access to top-tier construction products and exceptional civil, mechanical, and electrical product solutions.

We understand the critical importance of reliability and quality in the construction industry. That's why we offer products backed by robust warranties and supported by our award-winning technical team, renowned for their dedication and expertise in providing cost-effective and innovative solutions. Our stores are designed as a one-stop destination to provide productive solutions to all your construction needs, addressing the unique challenges of both large-scale projects and valued refurbishments. We continually expand our product range in alignment with the latest developments in technology and enhance our services to ensure our end users always have access to the best resources available. Guided by our core values of quality, integrity, and customer satisfaction, we believe our success is intrinsically linked to yours. We strive to build enduring relationships with our clients while offering accurate budgeting, compliance, quality satisfaction, and cost-effective delivery, even in shutdown projects.

Our vision extends beyond regional leadership to become a global distribution and supply chain company, admired for our innovative technology, dedicated people, strategic partnerships, and outstanding performance. Our mission is to deliver cost-efficient, high-quality, innovative products and professional, flexible services that enhance your profitability and simplify the construction experience.

Last but not least, we thank you for your unwavering support and trust. We are honored to serve you and look forward to contributing to your future successes.

QCON is and aims to always be your preferred Project Partner, starting from initiation to progress, completion, and beyond.

With heartfelt gratitude,

Monish Ramchandani

Founder, Chief Executive Officer and Managing Director
QCON General Trading LLC

OBJECTIVE

To drive growth, innovation & sustainability by providing reliable distribution, technical expertise & exceptional customer service in the construction and building materials industry

VISION

To passionately become a global distribution and supply chain company, admired for its innovative technologies, people, partnerships and performance to create value and help businesses maximize their dream by making construction products universally accessible and useful.

MISSION

Our mission is to become your premium supplier of construction material while helping you save money to live better. We use our passion and commitment to develop & deliver cost-efficient, high quality, innovative products, and highly professional, efficient and flexible services to all our customers and business partners, in order to enhance their profitability and make international trade in the construction industry fun, simple and universally accessible.

ABOUT US

Established in 2015, Dubai-based QCON General Trading LLC is a trusted, award-winning construction and building materials distributor specializing in wholesale, retail, and authorized distribution, with warranty support from manufacturers across the globe for cost-effective solutions.

Founded on the basis of business passion and the aim of providing only the best, we partner exclusively with the most trustworthy and reputable manufacturers and suppliers who guarantee product excellence with complete technical backup service. At QCON, we believe almost everyone is our client - homeowners, artisans, retailers, contractors, distributors, hotels, schools, mining companies, embassies, and multinational corporations. We understand from experience that today's projects are more challenging than ever before: they require going higher, deeper, producing more, better, and in even tighter schedules. This is why we exclusively focus on timely delivery of solutions that elevate our customers' projects in terms of performance, productivity, and safety, with no compromise. From the foundations to the rooftop, we meet the needs of all our clients with the most comprehensive offer in the world of products for the building sector.

We are an extensive regional business with in-depth knowledge of local markets, ensuring our systems meet the latest local and international standards. Our focus on long-term customer relationships and staff training ensures you can always rely on the integrity of our people, our products, and our processes.

Visit our website www.qconinternational.com to learn about us, download our company profile, and watch our corporate video. QCON General Trading LLC deals in wholesale, retail, and authorized distribution of construction materials, hardware, and building materials for over 25 market-leading brands in the region, including Saint Gobain, BASF Master Builder Solution, Mapei, Fisher, Fila, Bosch, Makita, Graco, Stanley, National Paints, and others, operating from multiple stores across the UAE.

BUILDING GREENER FUTURE

BUILDING A SUSTAINABLE FUTURE WITH QCON

At QCON, we are committed to driving the future of construction and building materials in the UAE with a focus on sustainability, innovation, and excellence. As an authorized distributor with a presence in all major cities of the UAE, our mission aligns seamlessly with the UAE Vision 2030 and 2050, striving towards a greener, more sustainable future.

OUR COMMITMENT

Innovation & Sustainability: We leverage cutting-edge technologies and sustainable practices to offer construction materials that not only meet the highest industry standards but also contribute to reducing the environmental impact of building projects. Our products are designed to enhance energy efficiency, reduce waste and promote the use of renewable resources.

Net Zero & Carbon Neutral: QCON is dedicated to supporting the UAE's ambitious goals of achieving Net Zero emissions and carbon neutrality. We work diligently to ensure that our products and processes are environmentally responsible, reducing carbon footprints across all stages of construction.

High ICV Scores: Leading the industry in local value creation and economic growth with our high In-Country Value (ICV) scores. This achievement reflects our commitment to contributing to the UAE's economy by prioritizing local procurement, creating jobs, and fostering sustainable growth within the country. Our high ICV scores are a testament to our dedication to supporting local industries and driving economic diversification.

PARTNERSHIPS FOR PROGRESS

Aligned with the Emirates Green Building Council (EGBC), Estidama, World leading Manufacturer's and similar organizations, we stay at the forefront of sustainable development, implementing best practices in every project.

JOIN US IN BUILDING A GREENER TOMORROW

Discover more about our sustainable initiatives and industry-leading products. Together, let's build a future that stands the test of time and preserves our environment.

WHY NET-ZERO?

Achieving net-zero carbon emissions is essential for a sustainable future. It involves reducing carbon emissions to the lowest possible level and using offsets as a last resort to balance any remaining emissions. This approach helps combat climate change by balancing greenhouse gases produced with those removed from the atmosphere.

GREENER CONSTRUCTION STARTS WITH THE RIGHT MATERIALS

At QCON, we empower designers and architects to pursue sustainable design through our ecological building solutions. Our advanced range of coatings, adhesives, sealants, waterproofing, repair, refurbishment, flooring, electrical, and building material products are designed to save energy, reduce greenhouse gas emissions, extend building life and create healthier, more comfortable buildings.

OUR COMMITMENT TO CARBON NEUTRALITY

QCON is committed to transforming the construction industry by delivering innovative solutions that meet the demands of the future. Aligned with our goal of achieving net-zero carbon emissions by 2050, our distinct product range supports global climate goals and provides the sustainable construction solutions needed today.

GREEN LIVING STARTS WITH GREEN BUILDING

At QCON, we take responsibility for the environmental impact of our products. We believe that greener living begins with green building, creating solutions that deliver superior environmental outcomes, supported by data and backed by science. Our cost-effective and efficient solutions actively reduce CO2 emissions in any project, offering the same high performance while enhancing sustainability without compromising on-site project efficiency.

TRANSFORMING CONSTRUCTION FOR A SUSTAINABLE FUTURE
