

Our job is... to make *YOU*
comfortable...

Maintaining your machines can be scary & risky..... **Relax!** Canaan has the experience, connection and expertise to maintain your equipments with minimum down-time, on schedule and on budget.

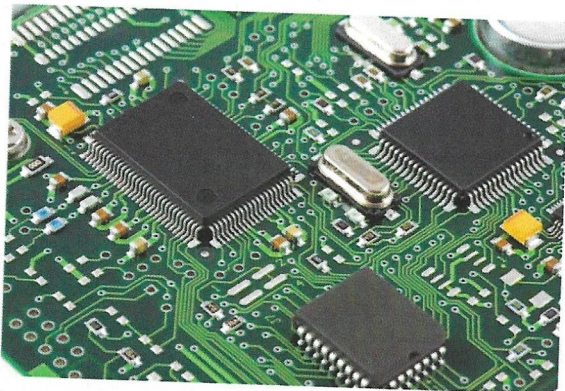

Our Team

Canaan hires Technicians who share our passion for high quality service output. Your personal In-charge will oversee the service from initial consultation to final delivery. We don't rest until you're delighted.

Services

Good service brings continuity, function, and beauty to a department or working space, whether it's a 1000 - square foot work centre or a rambling airport hanger. A typical maintenance includes these services:

- 🔌 Fork-Lift Services
- 🔌 Club Car Services
- 🔌 Cleaning Machine Services
- 🔌 Sweeper Services
- 🔌 All type of Electronics Control Card Repairing

Our Organization focus on Material Handling and Cleaning Equipments & Club Cars. We have excelled in providing service and repairs to renowned brands of material handling & cleaning equipment such as, Caterpillar, Hyster, Komatsu, Linde, Boss, Still, Crown and Toyota, Nissan, Yale, Tennant, Comac, Dulevo, Taski etc. to leading and established organizations.
