GENERAL TRADING LLC

COMPANY PROFILE

Hospitality Services

Since 2017

VISION

“ To expand our clientele and customers base in various countries from around the globe. ”

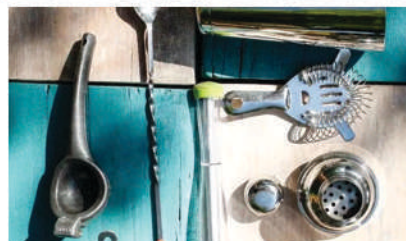

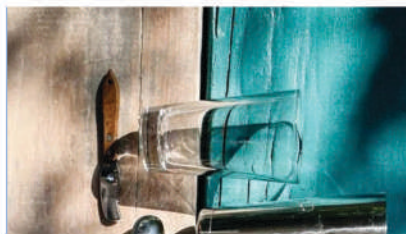

WHO WE ARE?

‘Shirish’ General Trading LLC was started in the year 2017 in Dubai, UAE with the key idea of dealing with ‘Small Operating Equipment’ in which we are proficient with a huge client base and customer support. As a team, with the core idea of developing our business and clientele base we had extended our business from Small Operating Equipment to other segments such as cleaning equipment supplies, small machinery supplies and foods and beverages trading which was turned into a big success with the support from our beloved clients and customers. As a big step, in taking the company to the next higher level, keeping in mind the interests of people in the UAE, we have established our E-Commerce website with the top-notch products that are carefully picked from around the globe at the best rates.

WHAT WE DO?

Though we do general trading throughout the GCC countries and E-Commerce trading in the UAE, we have an exclusive team of experts to handle our 'Small Operating Equipment' section which is where "Shirish" was started. We do prime focus in delivering the best in a timely manner to satisfy our customers throughout the GCC countries.

- We supply a varied range of products that include kitchen utensils, appliances, fittings, tableware, cutleries, crockeries, pastryware, barware, signboards, cleaning equipment and many more.
- We also supply small machineries such as commercial blenders, dumpling machines, pasta machines, noodle machines, commercial food processors, professional juicer machines, Ovens and many more.
- Be it croissants, cruffins, muffins, bagels, cinnamon rolls, breads, cookies or exotic fruits and nuts bar, we deliver it to our clients at an unbeatable rates and the most inspiring part is about the exceptional quality and taste of the foods that we deliver.
