MISSION VALUES

Our Vision

To become one of the leading & most reliable MEP
Contracting Companies in UAE.

Our Mission

Guided by our vision, we shall deliver high quality, cost effective projects on schedule & enhance our client's satisfaction through continuous improvement through our business practices as in terms of safety, quality, service delivery as well as Sound Environmental Awareness policy.

Core Values

"Safety First, Team work & continuous improvement"

OUR MAJOR ACTIVITIES

- We provide Design, Fabrication & Erection of steel structures & plate work for Industrial & Commercial applications according to client specifications.
- Welding Mild steel, Stainless steel, Copper Alloy, Cast Iron, Nickel Alloy, Brass & Hard facing metalizing (Magnesium).
- High pressure pipe line fabrication & Erection of offshore oil fields.
- All kinds of machining & reconditioning of plant equipment's Cooling tower installation.
- Additionally we perform blasting & painting jobs in accordance with technical requirements & specifications.
- Design & decoration of offices.
- Cable laying, cable pulling, DB box dressing, Conduit & cable tray installation.

DISTRICT COOLING

District Cooling Systems produce chilled water at a central plant & then pipe that energy out (either underground or over rooftops) to multiple buildings for air conditioning. Over the years District Cooling Plant needs to undergo regular maintenance to enhance the productivity & maintain efficiency, which STAR IMPERIAL MIDEAST is more than happy to perform for you.

STAR IMPERIAL MIDEAST offer solutions for maintenance related to Piping, Structural & Electrical works. We are our specialized contractor for District Cooling Plants & Cooling Towers with various expertise including Design, Piping works (Installation, Fabrication, Welding, Testing & Commissioning), Valve Replacement, Freezing, Hot Tapping, FRP Structural/Platform works & MEP works etc. Our Fabrication facility is specialized in custom made steel skid & modular fabrication.

MEP WORKS

STAR IMPERIAL MIDEAST handles responsibilities related to pushing & pulling cables for electrical power systems through floors, walls & ductwork. Our duties are to measure, cut, join, & install wires, panels & junction boxes. We at, STAR IMPERIAL MIDEAST specialize in the following but are not limited to.

- Low & High Voltage Cable Pulling
- Low & High Voltage Wall Conduiting
- RFL Cable Pulling
- CCTV Camera Installation
- Sound Cable Pulling

GRP PIPING & LINING WORK

**STORM WATER PIPE
INSTALLATION**

**DRAINAGE WATER PIPE
INSTALLATION**

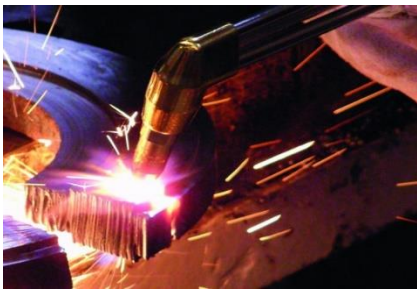

**GRP TANK
LINING**

STEEL FABRICATION

GAS WELDING

3G WELDING

ARC WELDING

COPPER WELDING

ALUMINIUM WELDING

CIVIL CONTRACTING

TILE FIXING

INTERLOCKING TILES

**CONCRETE BLOCK
INSTALLATION**

EPOXY PAINTING

WALL PLASTERING

OFFICE RENOVATION

WATER PROOFING

COMBO WATER PROOFING

MEMBRANE WATER PROOFING

CEMENTITIOUS WATER PROOFING

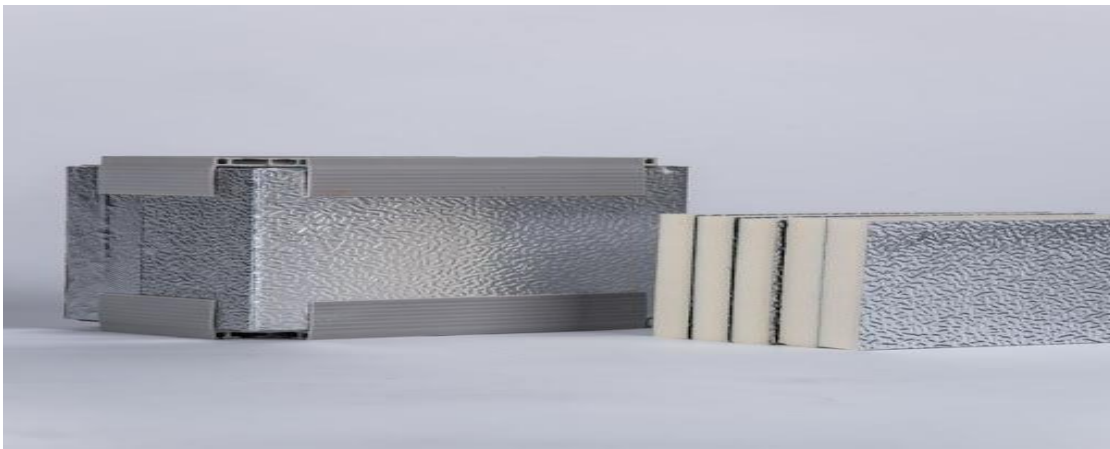

DUCTING & THERMAL INSULATION WORKS

GI DUCTING

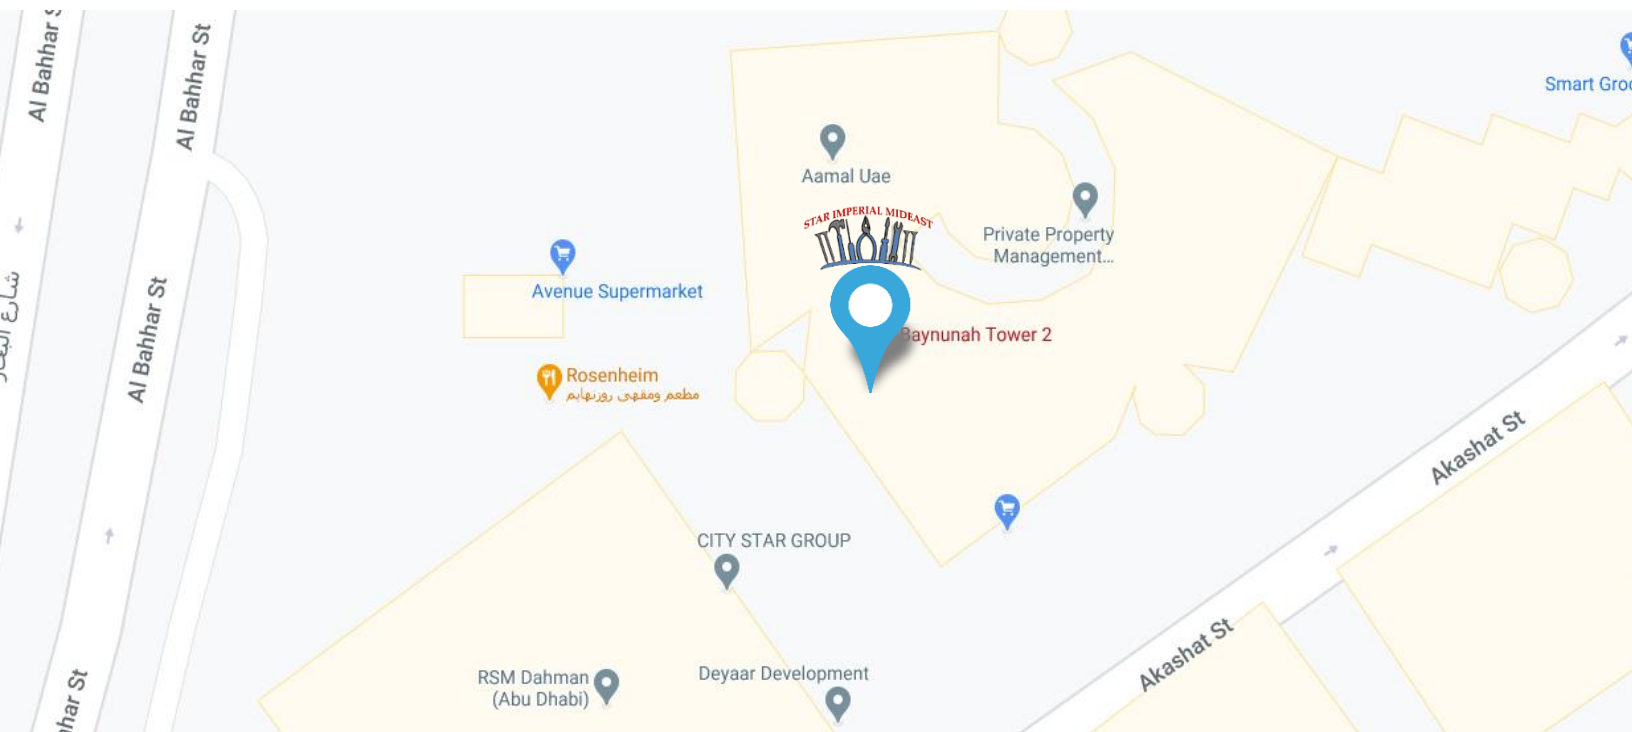

FOAM DUCTING

QUALIFIED TEAM

“Our Team Consist of Qualified Electrical Engineers, Mechanical Technicians & 6 G Certified Welders in ARC, TIG & MIG. We also have Pipe Structural Fabricators.”
