# REXTON

## M-CORE SR

When you trust your senses to keep you safe and sound – hearing clearly in every situation is a must. Our latest generation of hearing aids use proven Motion Core technology to ensure you can always hear what's important to you. The award-winning design is practical and easy-to-use, and the portable charging case provides three full charges on-the-go, so you can rely on Rexton in any situation.

## HEAR WHAT'S IMPORTANT WHEREVER YOU GO

With proven Motion Core technology, our award-winning M-Core SR hearing aids can automatically recognize and adapt to your environment better than ever.

Motion Core recognizes up to 20 times more individual hearing situations than previous models, so you can rely on Rexton whether you are on the job, spending time with your family, or taking a well-deserved break.

*Rexton's Motion Core technology recognizes your acoustic environment like never before, and constantly adapts to your hearing needs as you move between situations.*

## AWARD-WINNING DESIGN THAT YOU CAN CHARGE ON-THE-GO

M-Core SR hearing aids feature rechargeable lithium-ion batteries for hassle-free power. The included charging case enables on-the-go top-ups, for up to 4 days of use – so you can even easily enjoy a relaxed weekend trip without needing a power socket.
