TEKKIM

Introducing ourselves as the exclusive distributor of Tekkim Mineral, a leading brand in drinking water industry, based in Turkey, we are committed to providing quality products to our customers while ensuring maximum satisfaction with our services.

Our Major Product

- Magnesium Sulfate
- Calcium Chloride
- Magnesium Chloride
- Calcium Sulfate
- Sodium Bicarbonate
- Potassium Bicarbonate

We are a distributor of chemicals and in the UAE. Tekkim is a leading global provider of products, services, and solutions for the life sciences and advanced technologies industries. As a manufacturer of high-quality laboratory chemicals and reagents. We provides a wide range of laboratory Chemicals, Solvent, Indicators and Buffers supplies to customers across a variety of industries, including biotechnology, pharmaceuticals, academia, food and beverage, and more.

Laboratory Consumables

- Salts
- Solvents
- Acids
- Indicators
- Buffers

QUALIKEMS

We are a distributor of Qualikems chemicals and glassware in the UAE. Qualikems is a leading global provider of products, services, and solutions for life sciences and advanced technologies industries. We provide a wide range of laboratory chemicals and reagents to customers across a variety of industries, including biotechnology, pharmaceuticals, academia, food and beverage, and more.

- Salts
- Solvents
- Acids
- Indicators
- Buffers

RANKEM/ AVANTOR/VWR

We are a distributor of Avantor/Rankem/VWR chemicals and glassware in the UAE. Avantor is a leading global provider of products, services, and solutions for the life sciences and advanced technologies industries, and Rankem is a manufacturer of high-quality laboratory chemicals and reagents. We provides a wide range of laboratory equipment and supplies to customers across a variety of industries, including biotechnology, pharmaceuticals, academia, food and beverage, and more.

- Salts
- Solvents
- Acids
- Indicators
- Buffers

BULK CHEMICALS & CLEANING CHEMICALS WARES

We are the exclusive distributor of Watcon cleaning chemicals for the drinking water industry in the UAE. Our mission is to provide the highest quality products that meet the strictest safety standards, ensuring the purity and cleanliness of drinking water throughout the region.

- Watcon T04 (Alkaline)
- Watcon T03 (Acidic)
- Watcon RO A Antiscalant
- Watcon Soap Solution

The company has been providing quality chemicals to the industries for years and has become a trusted name in the market. We specialize in the supply of a wide range of chemicals, including industrial chemicals, laboratory chemicals, specialty chemicals, solutions to meet the specific needs of clients.

- Industrial Grade Bulk Chemicals
- Pharmaceutical Bulk Chemicals
- Food Grade Bulk Chemicals

TITAN BIOTECH

We are a leading laboratory equipment provider in the UAE, proudly partners with Titan Biotech as its trusted micro media supplier. Titan Biotech is renowned for its innovative solutions in the scientific research and laboratory industry, providing high-quality and reliable products that facilitate research and development.

As a top micro media supplier in the UAE, Titan Biotech offers a diverse line of micro media products engineered to support cell growth, fermentation, and protein expression. Their commitment to providing the latest technologies in micro media enables us to deliver state-of-the-art solutions to a range of industries such as biotechnology, food, and pharmaceutical.

MICROBIOLOGY MEDIA

COMPACT DRY

We introduce compact dry, Shimadzu in the UAE, offering a range of innovative products that deliver precise and reliable results. Compact dry Shimadzu supplier is a superior quality, pre-poured and ready-to-use culture media that provides a proven and cost-effective solution for microbiological analysis.

JOHNSON TEST PAPER, UK

We take pride in providing reliable and accurate testing solutions to our clients. Wide range of quality products that cater to various industries and applications. Whether you are in need of testing strips for water analysis, hygiene monitoring, or medical diagnosis, we have the expertise and resources to deliver to your specific requirements. With our commitment to customer satisfaction, you can trust us to provide prompt and reliable service and support for all your testing needs.

Product Range

- Peracetic Acid Strips
- Peroxide Strips
- Oil Test Strips
- Chlorine Test Strips
- Swimming Pool 5-1 Test Strips
- Total Hardness Strips
- Nitrate Strips and more

FILTERS

We are pleased to introduce ourselves as a leading supplier of high-quality filters and related accessories. With an experience of several years in the industry, we specialize in offering a range of filtration products from renowned brands such as Whatman, CHMLab, and HL-Filter. Our product line includes RO Pleated, Yarn, Spun filters, Membrane filters, Chromatography paper, Cellulose filter, and Glass filter, and others. These products are designed to cater to a diverse range of industries, including pharmaceutical, chemical, food & beverage, biotech, and more.
