# INTRODUCTION

The company was established in the year 2011, for trading of fabrics, tarpaulins and accessories for the tent industry. After one year of trading, The license was converted to an industrial license for the manufacturing of tensile structure. Entire range of all type of shades.

We have progressed with a steady increase in output from our production unit in Sharjah. Consistent with the growth in Emirates and GCC.

Our projects of tensile structure, HDPE fabrics, PVC, Aluminum corrugated sheets, Acrylic Canvas Products are stitched and welded at our factory in Al Sajee industrial area, Sharjah.

We can produce up to a maximum of 8000m<sup>2</sup> of shaded fabric per month.

Our workshop is well equipped with the latest machines in the related fields. The workshop equipment is also complemented by other site installation equipment such as CMC Case Cutting Machine, Lifting, Pulling and concrete drilling machineries.

Al Fannan Shades has completed many projects throughout the U.A.E. And has exported to GCC and African countries (MENA Region). To date we have many satisfied clients who give us regular repeat orders and most important they recommend us to other clients.

AL FANNAN SHADES INDUSTRIES LLC is willing not only to embrace innovation, but also to invest significantly in human resources & modern technology in order to serve our esteemed clients.
