RUBBER SHEETS

NOOR JEDDAH RUBBER TRADING L.L.C is a trading organization catering rubber, plastic & chemicals industries serving diversified industries segments across the Middle East. We are mainly focusing not only the growth of our trade but making lasting relationship with our customers and suppliers by ensuring quality trade practices. We have been constantly exploring new markets in order to provide better quality at competitive price. We have been doing, and we also own the capabilities to do, is listening to what our customers need and supplying them the best solutions. "Your needs, our passion".

Quality and reliability are first. Prompt service and price can help us win more and more regular customers.

Trading any rubber component as per the specific requirements of the customer from the below mentioned-materials as well EPDM, NBR, NR, PU, SBR, Silicon, Vitone, Sponge, Plastic and Chemical.

We have evolved our business model from trading to services to international trade & distribution, to present day business model.

We thank you for your kind attention and looking forward to receive you valued enquiries and long term growing business relations.
