

PERFORMANCE
DRIVEN BY
PASSION!

The background of the page features a photograph of an industrial facility. In the upper portion, a large green pipe runs diagonally across the frame. Below this, a blue diagonal band contains the company profile text. The lower portion of the page shows a complex network of industrial equipment, including large white storage tanks, various pipes in green and yellow, valves, and two electrical control cabinets on the right side.

Company Profile

Visco Lubes, founded by Partnership of Group of Companies and the brain child of passionate and leading industry professionals who believed in designing, developing, manufacturing and marketing top of the line Industrial and Automotive Lubricants that our customers can rely on!. With our strong presence in the market we have been offering uncompromised quality and top-notch workmanship to our customers. We take pride to claim ourselves as the market leaders in the Oil industry with our ability to manufacture a range of Oils and Lubricants for different verticals of businesses. We are a business group based out of United Arab Emirates who believes that quality is the key to profit. Our impressive range of Lubricants and Oils are readily available to serve the requirements of our local and international customers. We custom blend or toll blend our products to meet the needs of our customers. Our leaders have been in the industry for over 15 years, and we are committed to sustainability. We believe in the efficient utilization of resources and reducing the environmental impact and been inspired continuously by eco-friendly Technological innovation.

The background image shows the interior of a large industrial facility. On the left, there are several large, vertical, cylindrical storage tanks. A network of green and red pipes runs across the scene, with a prominent green pipe in the foreground featuring a black handwheel valve. The ceiling is high and has a curved, ribbed structure. The overall lighting is bright, highlighting the metallic surfaces of the equipment.

Production Facility

Impressive Capacity

We have the state of the art manufacturing unit with equipment of international standards. We are uniquely positioned to manufacture a comprehensive varieties of Industrial and Automotive Oils and Lubricants including Engine Oil, Gear Oil, Marine Oil, Industry Oil, Specialized Oil, Hydraulic Oil, Transformer Oil, ATF Type A (Automatic Transmission Fluid), Brake Fluid, Multipurpose Grease, 4 Stroke Engine Oil, 2 Stroke Engine Oil and other Specialty Industrial Oils using highly efficient blending facilities.

Product Lines

Automotive Lubricants

Automotive Lubricants having proven capability to help provide maximum engine performance, engine protection, extend engine life and help improve other processes in wide range of applications.

Industrial Lubricants

All our Lubricants are formulated to help enhance your machine's productivity while delivering optimum performance.

Synthetic and Semi Synthetic Oils

Provides excellent lubrication in today's diesel and gasoline engines operating in severe applications.

Speciality products and Multi purpose Grease

Visco Lubes is leading manufacturer, formulator and packager of a complete line of Specialty Lubricants for a wide range of industries.

Automotive Lubricants

Diesel Engine Oil (D max)

Pack sizes : 1 LTR, 4 LTR, 5 LTR, 20 LTR, 208 LTR
Available Grades : SAE 15W40, 20W40 (Multi Grade Oil)
SAE 40, SAE 50 (Monograde Oil)

Motor Engine Oil (V MAX)

Pack sizes : 1 LTR, 4 LTR, 5 LTR, 20 LTR, 208 LTR
Available Grades : SAE 20W50 (Multi Grade Oil)
SAE 40, SAE 50 (Monograde Oil)

Gear Oil (Gx)

Pack sizes : 5 LTR, 20 LTR, 208 LTR
Available Grades : SAE 80W90, 85W90, 85W140 (Heavy Duty Gear Oil)
SAE 90,140, 80W90 (Monograde Gear Oil)

2 Stroke Oil (2T RIDER)

Pack sizes : 1 LTR, 5 LTR, 20 LTR
Available Grades : SAE 30

4 Stroke Oil (4T RIDER)

Pack sizes : 1 LTR, 5 LTR, 20 LTR
Available Grades : SAE 20W50

Automatic Transmission Fluid (ATF)

Pack sizes : 1 LTR, 4 LTR, 5 LTR, 20 LTR, 208 LTR
Available Grades : Dexron III, Dexron II, Type-A

Synthetic / Semi-Synthetic Oils

Synthetic Engine Oil (MOTOMAX SN)

Pack sizes : 1 LTR, 5 LTR, 20 LTR, 208 LTR
Available Grades : 5W30, 5W40, 10W30, 10W40, 15W40, 20W40

Semi-Synthetic Engine Oil (MOTOMAX SS)

Pack sizes : 1 LTR, 5 LTR, 20 LTR, 208 LTR
Available Grades : 5W30, 5W40, 10W30, 10W40, 15W40, 20W40

Industrial Lubricants

Hydraulic Oil (STUDS)

Pack sizes : 5 LTR, 20 LTR, 208 LTR

Available Grades : ISO 32, 46, 68, 100, 150

Industrial Gear Oil (PROMAX)

Pack sizes : 20 LTR, 208 LTR

Available Grades : EP 100,150,220,320,460,680

Compressor Oil (CMAX)

Pack sizes : 20 LTR, 208 LTR

Available Grades : ISO 32, 46, 68,100,150

Marine Oil (V MARINE)

Pack sizes : 1 LTR, 5 LTR, 20 LTR, 208 LTR

Available Grades : SAE 30

Transformer Oil (V TRANZ)

Pack sizes : 20 LTR, 208 LTR

Available Grades : Class I, Class II

Fluids

Brake Fluid (DOT 3/DOT 4) (BRAZE)

Pack sizes : 250 ML, 500 ML, 1 LTR

Available Grades : DOT-3, DOT-4

Quality

Uncompromised Quality

It is the quality that aids our product to stand apart of the other variants. We have established ourselves as the most competent and innovative Lubricant Manufacturing Company that has quality at the core of its production process. We aim to raise the standards of manufacturing and customer satisfaction in the Industrial / Automotive Oils and Lubricants industry by offering quality that speaks for its excellence. Each and every product that we manufacture leave our state of the art facility after being extensively tested by our quality control team for further quality assurance. We are committed to providing the highest level of
