MANSOOR AHLI GROUP

# ABOUT

Mansoor Ahli water coolers manufacturing LLC was established in 2015 under the umbrella of Mansoor Ahli Group.

We locally manufacture water coolers, refrigerators, freezers, stainless steel kitchens, stone and steel ovens and barbecues in many sizes and materials, custom orders are also welcomed.

Our company strives to provide the best quality products at the best possible prices while maintaining outstanding customer service standards.

## OUR STRENGTH

Quality assurance with ongoing after sales service is our guiding Motto, priding ourselves on each item we manufacture, extensively testing before delivery to our customers.

We have adopted some of the latest technology in precision laser cutting and bending of the materials used, offering precise and sensitive measurements are fully adhered to, therefor achieving the best version of quality products, while reducing wastage which in turn reflects positively on the environment and our customers pockets.

Taking on a client's project, is a process that involves listening, a close ongoing work collaboration formed by our client's engineering department and our design team, designing, prototyping and finally testing the finished product, keeping in mind the choice of materials requested and working within the budget set by our client, adhering to a strict time frame which is crucial to finally present a product we are happy to put our name on, that carries a proud "Made in UAE" label, and satisfying our customers needs which we hope will keep them coming back.
