Adhesive Tapes

Warning Tape

Industrial Barrier Tapes / Caution Tapes are high-quality, high strength printed polyethylene barricade tape, Internationally recognized symbols of safety.

Caution Tape

This is the most economical way of warning excavators of buried services below ground, it ensures that excavating crews are warned of the presence of electric cables, water pipelines, telecommunications cables and other service lines. Made from polyethylene sheet, suitable for use in all soil conditions, their bright unfading coloration and clear printing with warning and identification text make them extremely efficient.

PVC Insulation Tape

PVC pressure sensitive, flame proof electrical Insulation tape is a PVC electrical insulation tape with a highly conformable backing used for insulating, splicing, and connecting, bare wires, for repair work and general industrial maintenance. Provides high dielectric strength and insulation resistance. Compliant to UL standards. Applications include: electrical insulation and splicing, connecting bare wires, electrical repair work and general industrial maintenance.
