## GARD- CAME road barrier

Ideal for private or public parking.

Also available made of AISI 304 steel (G3751 - G6501).

It can be installed either to the right or to the left and the mounting operations are simple and quick. A truly complete range of accessories allows you to customize your installation to ensure safety and ease of use.

Special joints allow the barrier to be installed even in underground parking facilities where the headroom is limited.

RAL 2004 finish.

Variety of  
Life Garage  
motors  
available
