About Us

“...offer their clientele
a quality installations
to international standards.”

The idea behind **ARTFIX** was conceived in 2006 when the collective management of building material supply companies realized that, for the quality products that we were supplying to building industry, there were no professional installers that are able to manage quality installations in UAE.

ARTFIX was registered as a legitimate fixing company in 2008 in order to handle the intricacies of difficult fixing projects were starting to appear in the region.

Putting a team together of multi-national and experienced tile fixers, they set about exploring the regional and contemporary methods of fixing trends in the industry in order to offer their clientele a quality installations to international standards.

“Deliver outstanding performance
and customer satisfaction
on every project”

Our Philosophy

“Deliver outstanding performance and customer satisfaction on every project”

At Artfix Plaster and Tiles Cont., our number one goal is our clients satisfaction with the quality construction timeless and cost effectiveness of our services, but with entire process as well.

Performance evaluation can be unique for each project and client. To ensure that we deliver outstanding performance as our client’s measures it, our field team adapts their operations to meet each client / projects unique needs and expectation.

In this process, we ensure that we maintain our internal performance standards.

Each job site team adopts the mission and objectives of our clients.

Artfix Plaster and Tiles Cont. reputation for quality timeless consistency and technical capability, flexibility, good communication and competitiveness have established Artfix as a best value roof tile installer/contractor.

Our Mission

**“To deliver
the highest quality level attainable
on every project we undertake.”**

Market Overview

“Effective and Efficient installation on budget and on time...”

The management and staff of Artfix are hospitality qualified professionals who believed that customer service is a priority and appearance is important.

As the market began to change due to tighter restriction on spending power and project development there was a growing concern for the unnecessary raising of cost due to inexperience unorthodox fixing, wastage and breakages.

Having considerable pride and in the Change product to materials that owners are supplying to the market ARTFIX was formed to managed these issues; protect the product from damage and wastage to fix it efficiently, effectively and in a timely fashion.

“Effective and efficient installation on time and on budget”

“...offer a two-year warranty on their roof tile fixing services.”

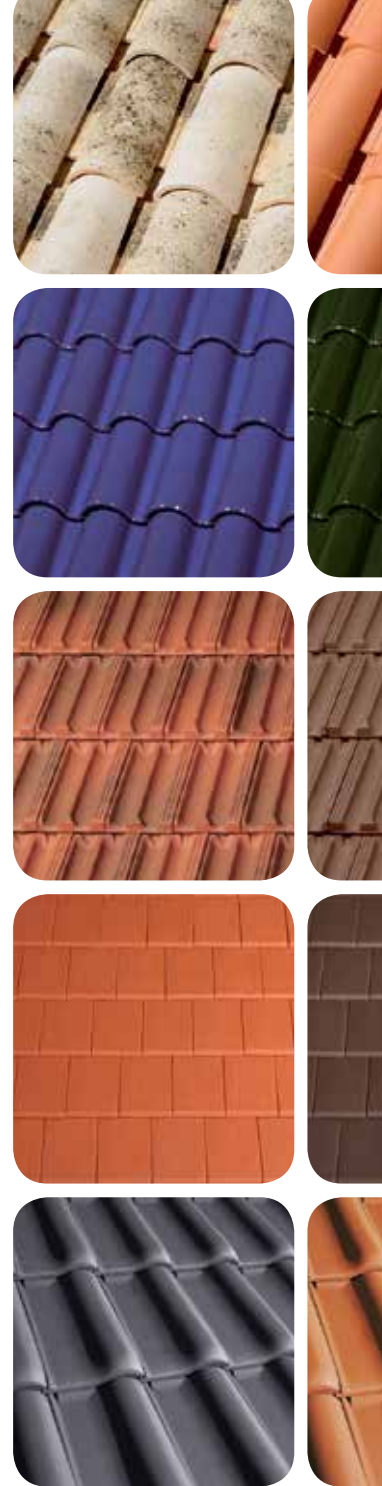

Company Development

People talk, and the world is spreading that ARTFIX is an installation company that can be relied upon to meet the harsh requirements set by project management teams as the pressure increase to make completion deadlines.

With a few short months the core team has grown rapidly as ARTFIX is awarded more complex projects that requires an increased level of skill demanded by the contemporary architecture in the region.

With over twenty years of “collective” fixing experience, ARTFIX is proud to offer a two-year warranty on their roof tile fixing services.
