Core Strength: “Our Team Our Asset”

Our true strength lies in our team of professionals. We have a team of energetic and committed professionals with hands on experience to handle,

- Short duration projects
- Engineering solutions
- Project specifications
- HSE practices
- Project defined QA/QC procedures

3

QUALITY POLICY

QUALITY POLICY

Management of **LUMIERE ELECTRO MECHANICAL CONTRACTING L.L.C.** is committed to establish, implement and monitor effectively a Quality Management System (QMS) consistent with all applicable legal requirements, contractual obligations, the best available international standard guidelines, customer requirements and locally available codes/standards to enhance **its** quality performance such as customer satisfaction, quality of product & services, effective corrective **actions** on each feedback from customers, employees, vendors, suppliers, sub-contractors and consultants.

LUMIERE is determined to Set the Highest Standards and Benchmarks in Electromechanical Projects and constantly strive to achieve excellence in their execution, through constant innovation and improvement and above all, to always keep foremost in mind our responsibility to the environment and the wellbeing of our future generations.

The operational activities like, Electrical, Plumbing and HVAC works etc. and associated business activities shall be sensitively managed for quality assurance.

Our management is striving to bring "Customer Satisfaction" by completely understanding the needs and expectations of the customers and highly motivated to make use of any opportunities by resolving the associated risks.

We have set SMART Quality Objectives & Programs for continual improvement in whole functional areas by;

- maintaining a leading position in Construction and MEP projects in UAE and GCC region,
- developing, implementing and maintaining a quality management system as per the requirements of best available international standards and construction practice,
- ensuring full commitment of all employees towards implementation of quality management system,
- achieving customer satisfaction thereby improving the business of the organization, and
- ensuring quality in marketing, estimation, tendering, project execution and inspection activities thereby to develop quality standards in the organization.

The Senior Management of our organization shall ensure that all necessary Quality Management Resources are made available sufficiently and utilized efficiently to enhance the effectiveness of overall QMS in the organization. It is also the responsibility of each and every employee of our organization to implement this policy and live up to its commitments.

NITIN GOPINATHAN
MANAGING DIRECTOR

SAFETY POLICIES & CERTIFICATES

- *HSE POLICY*
- *WORKMEN COMPENSATION*
- *PUBLIC LIABILITY INSURANCE*

HSE POLICY

OUR COMMITMENT

LUMIERE ELECTRO MECHANICAL CONTRACTING L.L.C is firmly committed to a policy enabling all work activities to be carried out safely, and with all possible measures taken to remove or managing them to levels that are as low as readably practicable to the health, safety and welfare of workers, contractors and anyone else who may be affected by our operations.

We are committed to ensuring we comply with the internationally recognized standards of Work Health, Safety and environment (ISO 14001:2015 & ISO 45001:2018).

REPONSIBILITIES, GOALS AND OBJECTIVES MANAGEMENT

- A safe working environment with safe systems of work
- Information, instruction, training and supervision that is reasonably necessary to ensure that each worker is safe from injury and risks to health
- Facilities for the welfare of workers
- A commitment to consult and co-operate with workers in all matters relating to health and safety in the workplace
- A commitment to continually improve our performance through effective safety management.
- Conducting HSE training to all personnel involved in group operations.

WORKERS:

Each worker has an obligation to:

- Comply with safe work practices, with the intent of avoiding injury to themselves and others and damage to plant and equipment
- Take reasonable care of the health and safety of themselves and others
- Wear personal protective equipment and clothing where necessary
- Comply with any direction given by management for health and safety
- Report all accidents and incidents on the job immediately, no matter how trivial
- Report all known or observed hazards to their supervisor or manager.
- Not misuse or interfere with anything provided for health and safety

We look for the co-operation of all workers, customers and participants. We encourage suggestions for realizing our health and safety objectives to create a safe working environment with a zero-accident rate. This policy applies to all projects and sites.

The Senior Management of our organization shall ensure that all necessary HSE resources are sufficiently available and efficiently utilized to facilitate the achievement of the established HSE Management system and HSE Objectives of the organization. It is also the responsibility of each and every employee to implement this policy and live up to its commitments.

NITIN GOPINATHAN
MANAGING DIRECTOR
