

WHO ARE WE

KELETRON ELECTROMECHANICAL WORKS LLC was established in the year 2007. The main activity of the company is design, supply and installation, testing commissioning, refurbishment of electromechanical works. Over the years KELETRON ELECTROMECHANICAL WORKS LLC (KEW) as gained reputation for its capacity to execute the work in time with precision and quality.

Keletron Electromechanical works L.L.C. is a specialized in installation of industrial, commercial, residential and marine air conditioning and electrical systems. We have started small interior jobs like gypsum partitions and modifications etc. We offer the full range of services in the Electrical and HVAC&R (Heating, Ventilation, Air-Conditioning & Refrigeration) sector. We undertake MEP contracting, especially Electrical contracting and maintenance, chilled water piping, ducting, electrical contracting, refrigeration and other gypsum and electro mechanical works .

OUR VISION

KELETRON looks forward to being a recognized leader in Electromechanical works. May it be an installation of industrial, commercial, residential air conditioning, and electrical systems. We thrive on delivering the best to our clients from across UAE.

OUR MISSION

Increasing the BUSINESS growth of our clients with creative electromechanical works to deliver market-defining high-standard solutions that create gain and authentic competitive advantage for our clients around UAE.

VALUES

KELETRON's success and reputation are directly attributed to the quality of our staff that forms the backbone of the company's day-to-day operations. Our knowledgeable & experienced employees have worked together as a team to empower Keletron to achieve a standard of excellence.

OUR TEAM

OWNERS

The Company is owned by Mr.Abdul Rahman Saif Abdulrahman Mohammed Al Faliti and Mr.Jiji Joseph who is having vast experience in Electromechanical contracting field. They have a strong presence in UAE market with offices in Dubai and the other major Emirates.

Abdul Raman Saif Abdul Rahman – Managing Director

Mechanical Engineer with More than 3 years of experience in MEP Business &Management with several business units under his name in all over the emirates.

Jiji Joseph- Managing Director

More than 25 years of experience in the Electrical and HVAC industry in Dubai and India.

Diploma in Electrical Engineering. Previously worked in Trans gulf Electromechanical Dubai, and Dubai Electromechanical works Co. Dubai in Engineering roles.

ENGINEERING AND ADMIN TEAM

1. Jithin George – Sr. Project Manager

Worked in UAE for more than 10 years managing complex MEP projects of various sizes.

Technically competent and possesses excellent skills in project management.

2. Jino Johny-Project Engineer

Mechanical engineer with more than 4 years of experience in HVAC and MEP project management in India & UAE

3. Christin Joseph-Project Design Engineer

Electrical engineer with more than 4 years of experience in Electrical and MEP Design & project management in UAE

4. Amal PJ- Junior Engineer

Electrical engineer with more than 1 years of experience in Electrical sector in UAE

5. Snejo Poulose-Project Supervisor

Qualified Diploma in Electrical Engineering at Navabharath Educational Research Foundation, Karnataka with more than 13 years of experience in UAE.

6. Abdul Nazir Madathil- Site Supervisor

Have more than 20 years of experience in the Electrical Departments in different organizations

7. Saseendran-Site Supervisor

Have more than 20 years of experience in the Electrical Departments in different organizations

8. Prasannan Mavanal Narayanan- Mechanical Site Supervisor

Have more than 20 years of experience in the Mechanical and plumbing Departments in different organizations.

9. Ms Annie- Accountant

Experienced in handling admin and financial works in UAE.

10. Akhil poly- Documents controller

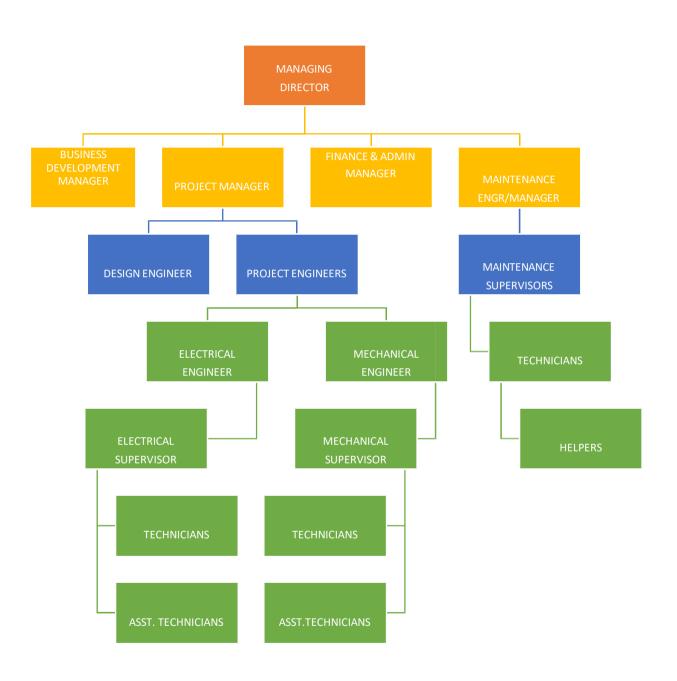

Experienced in handling documentation and purchasing works in UAE.

11. Brusli Ahamed – Office Administration

Completed MBA in Finance & Marketing - Having more than 8 years of experience in office Administration work in UAE.

PROFILE

To become a part of the organization where I can apply my Knowledge enhances my skill and be able to contribute growth and success of the organization. Around 10 years of experience as Electrical Site Engineer & Project Engineer in different companies in India & UAE. Now looking for a suitable position with a company which offers genuine room for progression and where I can make a significant contribution.

ACADEMIC QUALIFICATION

B,TECH in Electrical Engineering-2015 from Cochin University of Science And Technology

PROFESSIONAL EXPERENCE

Ernakulam, India Site Engineer Job Responsibilities

- Collecting information from the site and implementing in the as built drawing
- Handling Project Drawings with the Concerned Engineering Staffs
- · Performed Interference check with other disciplines
- Provide Functional Support to the design Engineers on the assigned task Projects.
- General Supervision and Inspected the installation modification

MAIN PROJECTS HANDLED

- Handling the Projects
- Plan and execute works
- Coordinate with other contractors and suppliers
- Completion of all projects formalities

M/S KELETRON ELECTRO MECHANICAL WORKS LLC DUABI, UAE(2014 TO TILL DATE) PROJECT ENGINEER/PROJECT MANAGER

JOB RESPONSIBILITIES

- Preparation of method of statement and executing the projects
- Preparation of project schedule.
- Attending project meeting and implementation of minutes of meeting and deliver proactive measures
- Preparation of monthly reports on projects
- Co ordinate with sub contractors and main contractors

MAIN PROJECTS HANDLED

- MEP works for 2B+G+7+R Bulding or Mr. Janah al Barsha
- Mep work for G+1 Villa For Ahamad baker at Kavaneei
- Electrical work at L30 villa at Emirate Hills for Mr Ramsimhan
- Electrical work for TPASAW Pipe mill kizad G+1 Abudhabi
- G+1 Villa For Obaid Al Salam at Sharjah
- Electrical works for Advanced Oncology Hospital at Al Furjan
- Electrical Works for advanced radiology clic Jumarra
- Electrical fitout works at Oracle Building(2nd,3rd and 4th Floor) at Media City
- Electrical works for Al Gurrair Mosque at satwa
- MEP works for Abdulla Abduli's Villa Hor al anz
- Electrical works for Manafat office

SOFTWARE AND OTHER SKILLS

- Have excellent knowledge in the operation of Auto CAD
- Possess Comprehensive knowledge in Electrical Engineering
- Ability to work with a team and manage the full team
- Strong Analytical and Problem solving skills, Troubleshooting and ability to quickliy diagnose and resolve the technical maintenance
- Ability to work under pressure and meet the deadlines
- Excellent Communication skills(English, Hindi and Malayalam)

English, Malayalam, Hindi, Tamil

AMALPJ

ELECTRICAL AND ELECTRONICS ENGINEER

Career Objective

To seek a challenging job where my skills can be fully utilized and do hard work for gaining new experience and knowledge and thus to make significant contributions in the horizon of company.

Academic Profile

- Completed Bachelor of Engineering in EEE from ANNA UNIVERSITY Secured with 8.66 CGPA FIRST CLASS WITH DISTINCTION
- Diploma in Electrical & Electronics Engineering from PSN Institute of Technology secured with 92% First class with Distinction.
- Diploma in Electrical CAD from CAD Centre Thodupuzha under Alphonsa College

Duration 3 month

- Completed XIIth from S.A.H.S.S,karimkunnam, and secured 78% (2012-2014).
- Completed SSLC ,S.A.H.S.S,KARIMKUNNAM, and secured 68% Year of Passing (2012).

Technical Skills

Hard Skills

- Circuit Designing
- SMDB Energization and commissioning
- Fire Alarm testing
- Panel Testing
- Glanting
- Termination
- GI Piping
- Estimation
- Quotation making

Strengths:

- Positive Attitude
- Communication Skill
- Self-Control
- Hard work
- Patience
- Faster learner
- Honest
- Creativity
- Team Worker

Hobbies:

- Playing cricket/Football
- Listening Music
- Repairing electronic Gadgets

Soft Skills

- Drafting Tools : Auto CAD 2D, Auto CAD
- ➤ ElectricalHigh Level Tools : C , C++
- ➤ Documentation Tools : MS Office

UAE Work Experience

 Electrical Engineer at Euro Emirates International LLC Dubai (2017 October to 2019 February

UNDERTAKEN PROJECTS

- SMDB Testing and Commissioning at Abu
 Dhabi International Airport for ANEL Emirates
 project (6 months)
- AMROC Defense Airport Al -Ain ESCOJV project (3month)
- SABI Project at Al-Maktoom Warehouse (5 months).
- Technical support at Sony India PVT LTD New Delhi (2016 September to 2017 September)

Achievements & Workshops

- Got best student Award on 2015 and 2016, Collage topper.
- Best Employee award from Sony India Pvt Ltd in 2017

Certifications

- UAE society of Engineers Attestation
- Diploma in Electrical CAD.
- License Holder

Academic Projects

- BE Main project: MEMS based device for physically challenged persons (By using accelerometer generating thesignals. And with the help of Arduino UNO. Without any intermediate physical links)
- Diploma Main Project: SOLAR based Mobile Charger
 Solar or battery powered boost inverter can provide both
 DC and simultaneously without using a transformer
- Role: Designing and Hardware implementation.

Personal Statement

Place:

I believe that my confidence, interest and enthusiasm are my good personal skills. These are the skills helped me to be successful in my life. I am very eager to work and resolve problems. These qualities of mine will hold me in good stead for a successful tenure in your organization.

I hereby pledge solemnly that all the information furnished above is absolutely true to the best of my knowledge and test of my understanding.

SNEJO POULOSE ARAMPILLY (H) MELOOR PO, CHALAKUDY Thrissur -680311

Mobile: +971553439967

Email:snejoarampilly@gmail.com

CAREER OBJECTIVE

To obtain a challenging position that provides me opportunities to exploit my knowledge and extensive development skills to the extreme levels of my ability and to continuously upgrade myself to the highest levels of expertise, thereby enabling the organization to carve a niche for itself and achieve its target and growth.

PROFESSIONAL EXPERIENCE

KELETRON ELECTROMECHANICAL WORKS LLC

(AL QUOZ, DUBAI, UAE)

Presently Working as an Electrician and site supervisor for 10 years (October 2011- till date) in a renowned Electro mechanical firm.

EDUCATIONAL QUALIFICATION

• Qualified Diploma in Electrical Engineering at Navabharath Educational Research Foundation, Karnataka.

SKILLS & TRAINING

- Have an excellent Knowledge in the areas of Electrical and Plumbing design works at various Sites as per Regulation.
- Supervision and managing company workers at various Sites.
- Trouble shooting of Electrical and Plumbing works and maintenance at various sites.

BEARER OF LICENCES

• Valid Driving licenses in UAE and India (Light Vehicle Manual Gear)

PERSONAL/FAMILY DETAILS

• Date of Birth: 22.06.1991

• Age: 27

• Languages: English, Hindi and Malayalam

• **Gender:** Male

• Name of Father: ARAMPILLY MATHEW POULOSE

• Nationality: Indian
