COMPANY OVERVIEW

COMPANY OVERVIEW

Our Business Definition

Champions is committed to developing products and services based on project requirements for our esteemed clients. We tirelessly make efforts to introduce a diversified product range to meet the needs of all major customer segments. We are always focused on maintaining a professional management approach and delivering superior quality products and services to our customers.

Our Objective

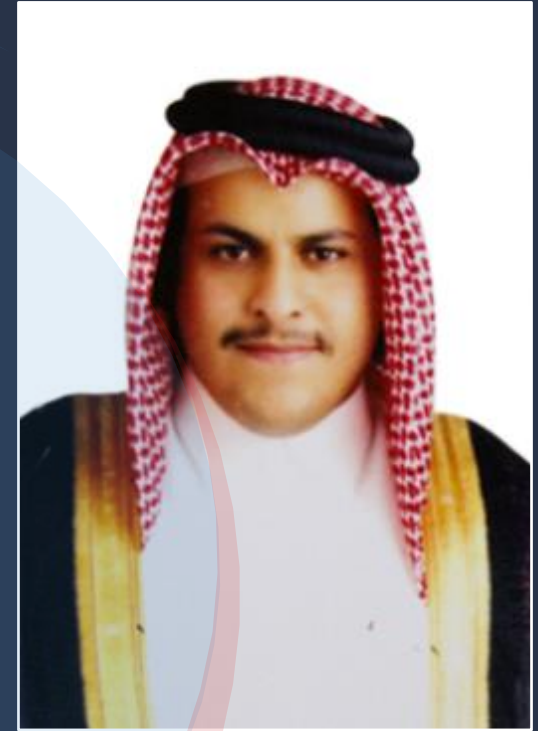

1. Provide competitive prices, quality products, ex-stock availability, and timely services to our customers.
2. Ensure continuous customer satisfaction.
3. Foster a culture of teamwork and dedication to quality within the organization.
4. Create and cultivate a healthy business environment for continual improvement.

Our Assets

Champions, as a fast-growing company, firmly believes that our employees are our most valuable assets. Our true assets are our professionally qualified personnel who transform opportunities into realities. Our dedicated team of staff members works together to achieve our goals.

COMPANY HISTORY

Pipeline Group was established in the year 2006 under the patronage of our chairman, H.E. Sheikh Jassim Bin Saud Bin Fahad Jassim Al Thani and Managing Director Dr. Symon Thomas in Qatar. Since its inception, Pipeline has made every effort to become one of the leading stockiest and distributors of pipes, fittings, flanges, valves, fire-fighting equipment and accessories, chilled water pumps and accessories, lifting tackles, hoses, and fittings, among others. We supply these products directly to end-users and through distributor channels. Our clientele includes esteemed companies such as government and semi-government establishments, oil and gas companies, chemical and petrochemical companies, steel, fertilizer, and cement companies, as well as international and local EPC contractors and leading electromechanical and contracting companies.
