

Authorized Distributor of EU Manufactured Hydraulic & Pneumatic – SS Fittings

SUNTECH
MECHANICAL & ENGINEERING
EQUIPMENT TRADING LLC.

SUNTECH is a well-established reputed fluid Engineering & Services company formed with few bunches of highly experienced industry experts. We take immense pleasure in introducing ourselves as extremely capable in the field of Fluid Engineering & Services. We believe in rendering prompt and accurate service with superior quality of products as per customers needs. We have developed the expertise and capability to cater the needs of a challenging and emerging industry.

It is in the best interest of the customers that we strive to be a leading solution provider focusing on performing various safe operations, efficient performance, and a clear vision to bring state of the art products and world class services by envisioning the latest technology and innovation in all type of industries. We are entering into new ventures by welcoming business associates with various international companies interested in promoting their products & services in the MENA region. We are relentlessly working to keep up our utmost priorities that is timely execution of orders and providing quality after sales support and services.

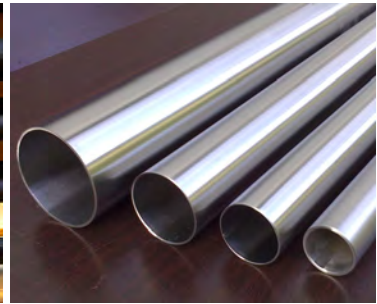

SUNTECH offers a wide range of fluid transfer products produced by reputed manufacturers from different parts of the world. All products offered meets international standards and have been successfully used in all industrial sectors such as Oil & Gas, Marine, Processing Units & Construction. We are determined to full fill growing market needs by supplying quality products.

HYDRAULIC HOSE FITTINGS & ADAPTORS

- Textile Braided Hoses
- Wire Braided Hoses
- Spiral Wire Hoses
- Teflon (PTFE) Hoses
- Thermoplastic Hoses
- CS/SS Hose End Fittings
- CS/SS Adaptors
- Hydraulic Tubes & Compression Fittings

BREATHING HOSES

- Low- & High-Pressure Breathing Hoses
- Breathing Couplings
- Low- & High-Pressure Manifolds
- Breathing application Valves
- CGA Connectors

INDUSTRIAL HOSE FITTINGS

- Air king Crowfoot Fitting
- Boss steam coupling
- Andrews Cam & Groove Couplings
- King nipples & Clamps
- Whip Checks
- Spring Guards

INDUSTRIAL & LARGE BORE HOSES

- Light & Heavy-Duty water delivery & suction hoses
- Light & Heavy-Duty Oil delivery & suction hoses
- Air & Multi-Purpose Hoses
- Bulk Cement delivery hoses
- Concrete Suction Hoses
- Chemical Hoses
- Food Grade Hoses
- Portable hoses

SUNTECH
MECHANICAL & ENGINEERING
EQUIPMENT TRADING LLC.

STAINLESS STEEL METALLIC HOSES

- 1/4" TO 8" Nominal bore SS321 hose with SS304 Braid.
■ SS304 Braid.

THERMOPLASTIC HP/UHP HOSE

- Flexi lance Hoses
- Water Blast Hose
- High pressure hoses
- Ultra High-pressure Hoses
- High pressure Adaptors

STAINLESS STEEL EXPANSION BELLOWS

- 2" TO 18" ID Exhaust/HP fluid/Gas Bellow

QUICK RELEASE & SPECIALITY COUPLING

- ISO-A Series interchangeable coupling
- ISO-B Series interchangeable coupling
- Flat face coupling
- Wing nut type couplings
- Pneumatic couplings
- BOP API 16D Quick coupling
- Dry Disconnect coupling
- Safety Break away coupling

COMPOSITE HOSES

- Fuel & Oil Hoses
- Chemical Hoses
- Road Tanker Hoses
- Hose handling accessories

SUNTECH
MECHANICAL & ENGINEERING
EQUIPMENT TRADING LLC.

DRILLING HOSES

- API 16D BOP Hoses
- API 7K Cementing Hoses
- API 7K Rotary & Vibrating Hoses
- API 16C Choke & Kill Hoses
- Low pressure Industrial hoses for Cementing /Barite /Diesel/Bentonite & Acidizing

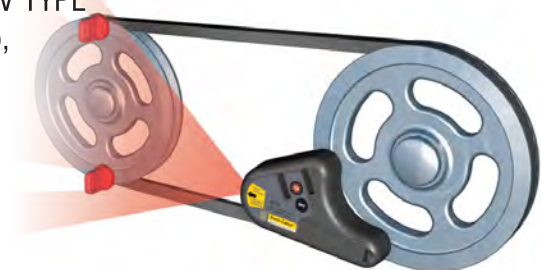

VALVES

- HP & LP Ball Valves
- HP Needle Valves
- Gate Valves
- Globe Valves
- Butterfly Valves

INDUSTRIAL POWER TRANSMISSION

- Industrial V- Belts---Z, A, B, C, D & E type
- SPZ/3V, SPA, SPB/5V, SPC/8V TYPE
- Timing belts HTD, Power grip, Poly chain belts
- Belt Tensioner
- Laser Alignment Tools

ACCESSORIES

- Low & High-Pressure Gauges
- SAE O-Ring Blocks / Flanges
– As per ISO 6162 (SAE J518) & ISO 6164 (Square Flanges)
- Hose Hangers
- Hose Floats

SUNTECH
MECHANICAL & ENGINEERING
EQUIPMENT TRADING LLC.

INSTRUMENTATION FITTINGS & VALVE

- Size ranges from 1/16" upto 2"
- Maximum working pressure upto 6000 psi
- MOC: SS304/304L, SS316/316L, DUPLEX, MONEL, INCONEL, HASTELLOY, ETC.

PIPE FITTINGS

TUBE FITTINGS

NEEDLE VALVES

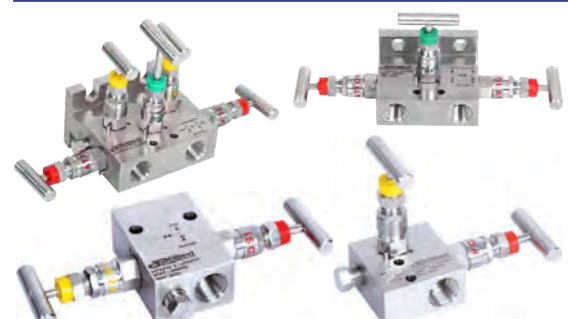

BALL VALVES

CHECK VALVES

MANIFOLD VALVES

HIGH PRESSURE FITTINGS & VALVES

- Allied offer High Pressure Fittings and Valves products like adaptors, couplings, connectors, Needle Valve, Ball Valve, Double Block and Bleed Valve.
- Allied High Pressure Fittings and Valves ranges from 10000 PSI upto 60000 PSI.
- Allied High Pressure Fittings and Valves comes in various end connections, sizes and MOC.

ACCESSORIES

- Allied being one of the leading manufacturers of Instrumentation Fittings & Valves offers wide range of accessories to support various industrial need.
- Allied offers quality customized manufacturing and fabrication services to its customer.

Air Header

Syphon

Flush Ring

Flanges

Snubber

Condensate Pot

Thermowells

OUR SERVICE RANGE

Mobile Van service for onsite jobs

Re-certification of HP & UHP Hoses

Re-ending & Re-certification of HP Hoses
