ABOUT US

Refrigeration industry plays an important role in our world. With the purpose of improving the efficiency and saving energy, Heavens stepped into this industry. Starting as a commercial group and expanding our enterprise into the refrigeration industry, Heavens became a key element in UAE. We are now in contract with the greatest companies of the region, exporting our products with appropriate prices.

WHAT WE DO

Heavens has been the source of effective services in the five years of activity and experience in Dubai cooling industry in the field of consulting, design, implementation as well as import of all refrigeration and air conditioning equipments.

The company is currently the one of the best supplier of compressors and refrigeration equipment with brands Bitzer, Embraco, Danfoss, Copeland, Friga-Bohn, Lu-Ve, Tecumseh, LG, Icecon, Maksal, Carrier, Mueller, AKO, Sub-Zero, Dunali Fans, FMI, Elco, Honeywell, Bristol & Hongsen in dubai and meets the needs of many manufacturers of refrigeration and air conditioning systems.
