# INTRODUCTION

Success is not an accident, it's a cumulative outcome of determination, perseverance, hardwork, integrity, decision making and ability to respond in a competitive environment. This has reflected in our

**MR. J.K.ANSARI**  
CEO & Technical Director

sucess since we have always given 100% to whatever we have done, without setting for anything less. We are pleased to introduce Gulf Power Elect. Switchgear Devices Tr. As one of the leading L.V. Switchgear manufacture and supplier serving since last 3 years in the UAE and Gulf regions, has main office and modern manufacturing facility based in Sharjah Industrial area no15. **GULF POWER ELECT. SWITCHGEAR TR** are Certified Loyal Panel Builder of ABB. GULF POWER ELECT. SWITCHGEAR TR.

has separate designing and manufacturing department equipped with professional and experienced Technician, who has the capacity to assemble the panels like L.V. Panel, MDB, Capacitor Banks, ATS panels, Control panels , SMDB , final Db's as per SEWA , FEWA , DEWA. We design, engineer, manufacture a wide range of Electrical, Instrumentation and Automation panels that are known for their impeccable quality. These are available as:

- LT Distribution Boards.
- Power Distribution Boards.
- Lighting Distribution Boards.
- AMF and DG synchronizing panels.
- Fire control Panels.
- APFC panels (up to 900 KVAR manufactured for a Dubai Cement plant)
- AC (VFD) Drive Panels ( up to 160 KW)
- DC Drive panels ( up to 350 KW)
- Soft Starter Panels (up to 500 KW manufactured).
- Thyristor Controlled Electrical Heater Panels (up to 734 KW manufactured for DHDT project).
- Power Control Centres.
- Fixed and Drawout Motor Control centres.

- Special application panels like
- Furnace/Compressor/Retort/Autoclave/DA plant/  
Oxygen Plant /Heater/Packing Plant/  
Silo Extraction/ Hot Air Generator Panels/  
HT Metering Panels/Road and  
Rail Mobile Levelling Control Panels.
- Instrumentation/PLC/Automation panels  
with or without SCADA.

We are using Switchgear components like ABB, Schneider, Eaton, Siemens, Legrand, LS and hager from the brand suppliers and built on the standards as with proper testing for the various parameters like visual test, HC-test and Megger testing etc . Our motto is to maintain high quality standard in the market ,,which enable us to meet and satisfy our client requirement.

We hope the above information is sufficient for your satisfaction and analyzing to our credibility and we are willing to render our services to your valuable organization. We hope you will find our **offer** line with your requirements, mean while if you have any queries technical or otherwise please feel free to contact us

## **GULF POWER ELECT. SWITCHGEAR TR**

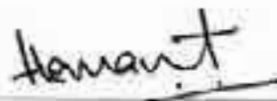

Sharjah, United Arab Emirates

GulfPower Elect Switchgear Tr is a Local and  
Builder using ABB Low Voltage Products as given below  
in their switchboards:

- ACB's, MCCB's
- Din Rail Components  
(MCB, RCCB's Isolators & Contactors)
- Isolators
- Control Gear Products
- Enclosures

N Mohan

YOUR REF  
Gulf Power/2022

OUR REF  
4322

DATE  
25.11.2022

Dear Sir,

## ABB LOYAL PANEL BUILDER

we are glad to inform that M/s GULF POWER ELECT. SWITCHGEAR TR. sharjah UAE is one of our loyal panel builder procuring through our distributors and using our LV components in their L.V. Panel boards for various project. ABB components like ACBs,MCCBs,MCBs,ELCBs. Load Breaker Switches, Enclosures and Isolatorsetc. are designed for installation in Panle Boards and are used by panel builders and Assemblers throughout the world.

ABB provides all techical training to Panel Builders for selection,installation and maintenance of our components, which are installed into their switchgear cubicles. And as a supplier of stander Low Voltage products, we have no objection that such products are installed into switchgear cubicles manufactured by GULF POWER ELECT. SWITCHGEAR TR. sharjah,UAE

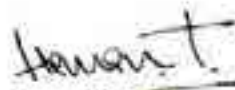

the standard " ABB Guarantee" is applicable for all components purchased from our product range provided they are selected and installed as per electrical regulations and ABB instruction manuals. As panel builder, GULF POWER ELECT. SWITCHGEAR TR., sharjah, UAE is responsible for quality of product.

We wish GULF POWER ELECT. SWITCHGEAR TR. all the success.

With Best Regards,

N Mohan  
Head of Distribution Sales

GULF POWER ELECT. SWITCHGEAR TR.  
Sharjah - UAE

Attn: Mr. J.K. Ansari (M.D.)

To whom it may concern

We are glad to inform that, M/s. GULF POWER ELECT. SWITCHGEAR TR. Sharjah, is one of our loyal Panel builder, procuring following items from us. We are authorized distributor of these items in UAE market.

- Prime Enclosure
- Copper Busbar ( Luvata)

We wish all the success to GULF POWER ELECT. SWITCHGEAR TR. also you can expect full support always.

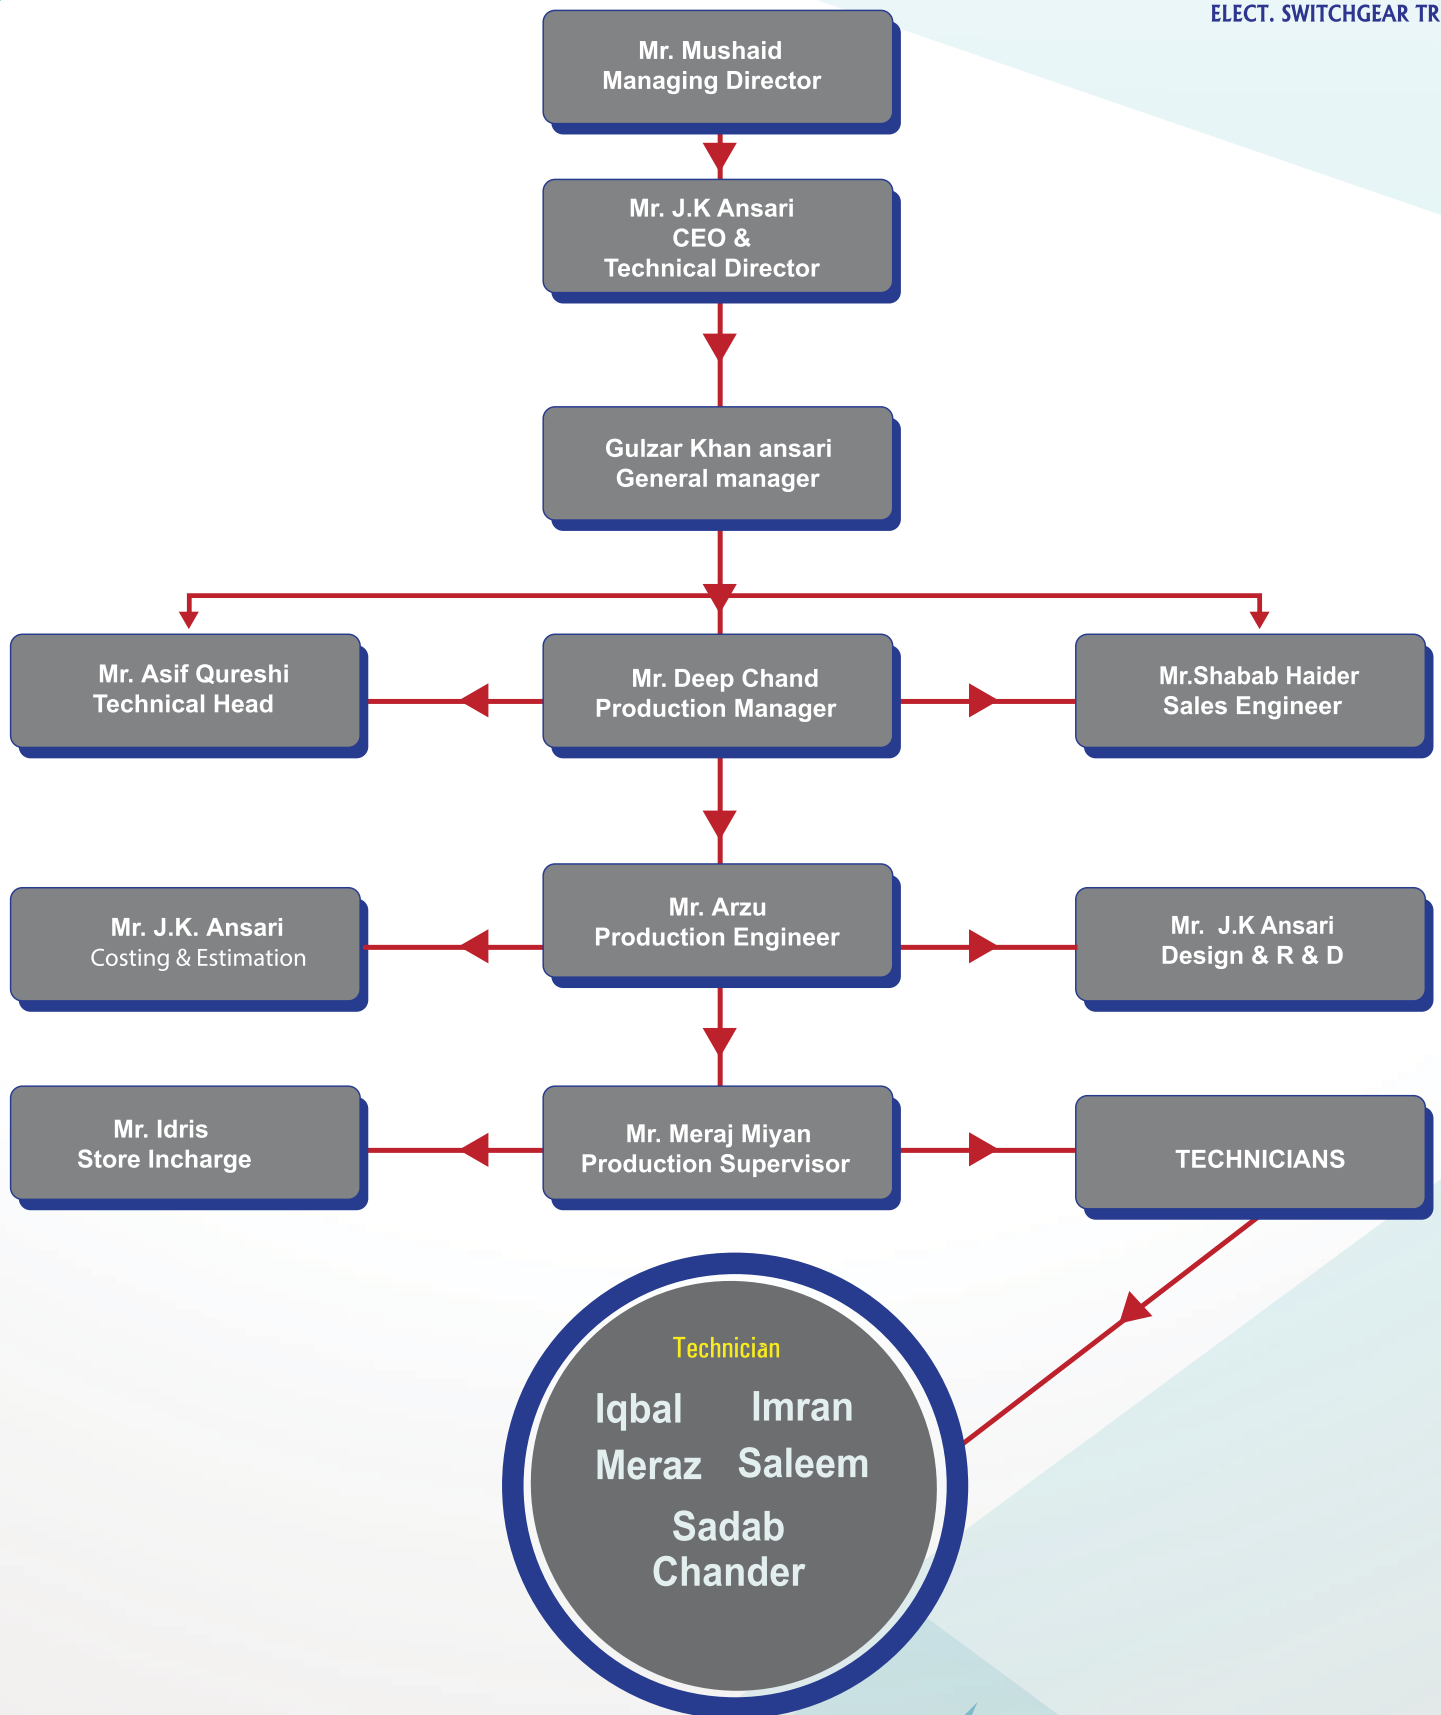

With Best regards,

Shajan Mathew  
General Manager  
Rove Electric L.L.C  
Dubai , U.A. E.
