

INSTRUMENTATION

- 475 Hart Communicator
- Transmitters - Flow - Temperature - Level - Pressure
- Fixed Gas Monitoring Systems / F & G Panels / Open Path Gas detectors
- Portable Gas Detectors & Gas leak sensors
- Flow meters - Mechanical, Ultrasonic, Vortex, Electromagnetic type
- Liquid / Gas Process Analysers & sensors, pH & ORP Sensors
- BTU Meters - Clamp On / Inline type
- Analyzers & Transmitters
- Pressure / Temperature / level Gauges
- Orifice flange assembly, Orifice Plates, Venturi tube, manifolds
- Testing & measuring Instruments / equipments
- Calibrators and Test Benches
- Instrumentation Tubing and Fittings
- Temperature sensors - Thermocouples - Thermo wells - RTDs

ELECTRICAL

- Cable Route Trace
- Cable Fault Locator
- Electric Motors
- Energy Meters / BTU Meters
- Electric Cables
- Explosion Proof Light & Fitting
- Relays and Switches
- Electrical Process Heaters

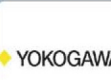

AUTOMATION

- PLC
- SCADA
- DCS (Distributed Control System)
- HMI (Human Machine Interface)
- Automation Drives
- Variable Frequency Drives

MECHANICAL

- Pumps & Motors
- Industrial Filters and Separators
- Strainers
- Pipes and Pipe Fittings
- Fasteners
- Steam Traps
- Gaskets/SEals and Flanges
- Valves
- Chemical Injection / Dosing Pumps
- Junction Boxes
- Hoses and Hose Fittings
