

***Magellan Metals LLC***

# ABOUT US

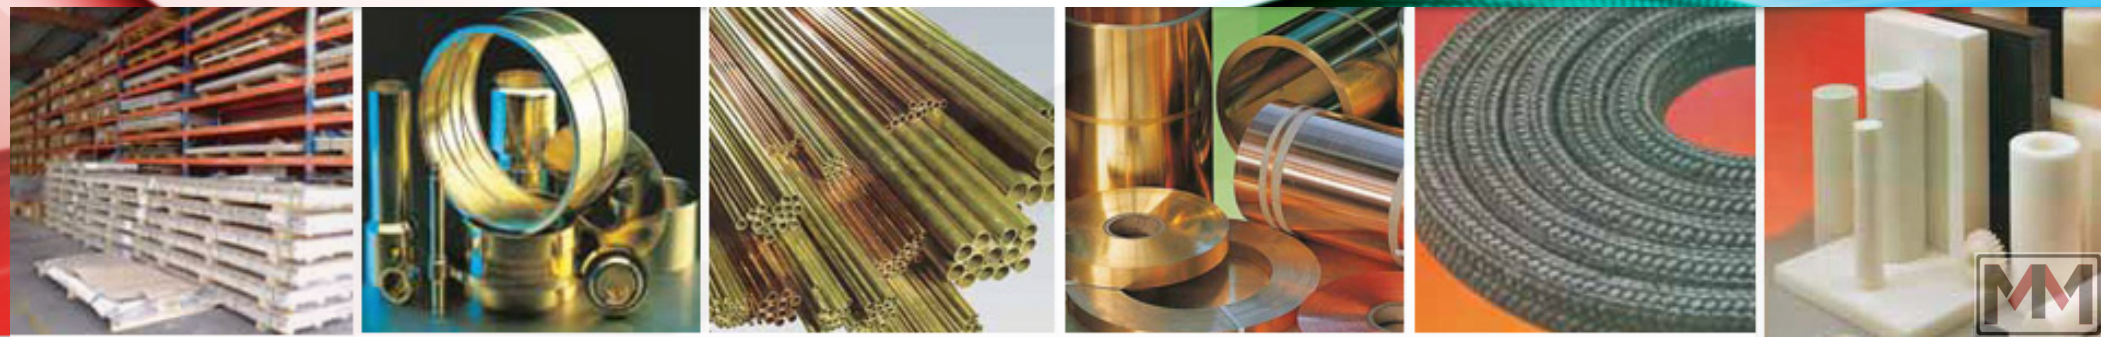

**MAGELLAN METALS L.L.C.** is one of Middle East's leading agents, importers, stockist, distributors and suppliers of high quality products & services for marine, offshore, oilfield and associated industries.

We are an ISO 9001:2015 certified company managed by experienced and motivated personnel. We provide high quality materials from our ready stocks at competitive prices, backed up with prompt deliveries & after sales services in various ongoing and upcoming projects to our esteemed clients.

To guarantee product quality, the company has established a set of perfect quality control system, which has gained the International Quality system and Mill Certifications.

Our long established relationships with many of the world's major suppliers enable us to fulfill requisites for projects of any proportions. Our project management skills help our clients reduce their costs and workload by passing their requirements for us to gratify. Our highly experienced sales team can help you with all of your technical queries/clarifications, as well as provide you with logistical solutions to deliver the material wherever it is required.

Magellan Metals enjoys a clean and committed reputation since its inception and aspires to continue the goodwill in future as well.

# OUR VISION

To be the largest stockists in the UAE for Engineering Goods and a One-Stop-Shop for Industrial Products inline with employees satisfaction and utmost integrity towards the suppliers & honesty with our esteemed clients in 10 years.

# OUR MISSION

To work with complete honesty and transparency and to be the best & preferred supplier for our clients.
