# ABOUT US

# 02

## WHO ARE WE ?

Reliable Metal Works Contracting a company based in Mussafah, Abu Dhabi, fabricates customized metal products used in all Sectors of the Industry. Having employed the highly experienced personnel, we hope to deliver best solutions to our Customers.

## OUR VISION

We strive to create a brand name in the Customized Metal Fabrication industry on which the nation can rely on.

## OUR MISSION

Focusing on teamwork, innovative sales and manufacturing technics, we wish to achieve a space in the industry. We give more emphasis on quality and reliability which will turn our vision into a reality.

Quality, price & services are our first priority to explore the competitive market.

### WHY CHOOSE US?

INNOVATIVE  
IDEAS

WELL ORGANISED  
WORK FLOW

FAST  
OPERATION

HIGH QUALITY  
RESULTS

DETAILED  
WORKMANSHIP

THE LATEST  
TECHNOLOGIES

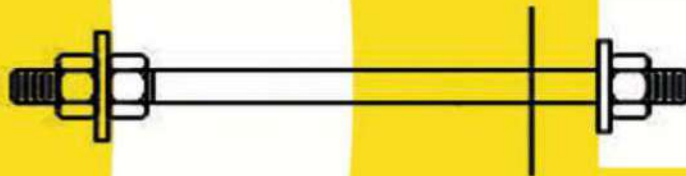

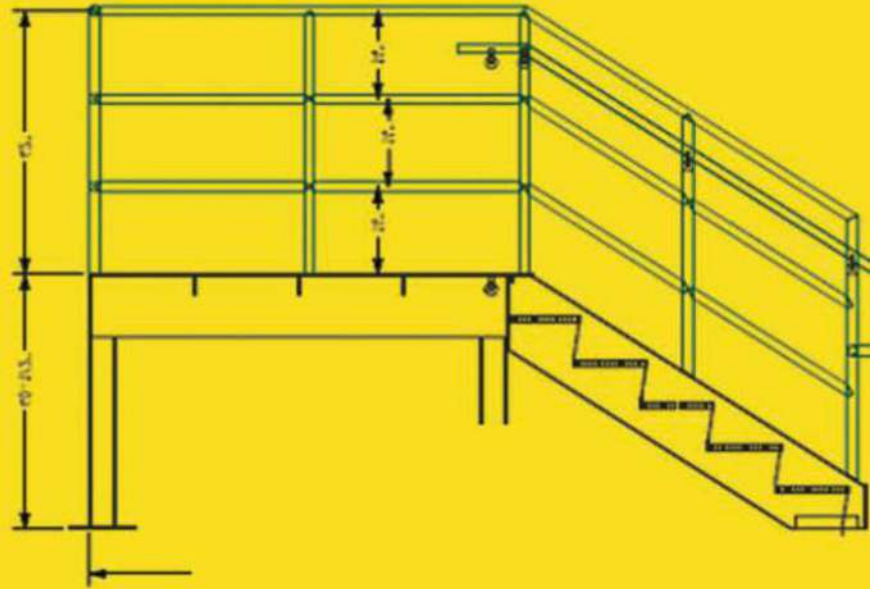

PROFESSIONAL  
SPECIALIST

## Conditions

## الشروط

- 1)
- 2) \*\*\*Spare parts are generally not submitted independently.  
Nevertheless in the present application for maintenance works, It is assumed that Each and Every Part (its specific model ) is approved by Street Light Section for use. Hence this one time endorsement is on this assumption only, if these parts are not approved then this endorsement be deem withdrawn.
- 3) \*\*\*FAT to be done before supplies and random sample shall be tested for yield strength and elongation
- 4) \*\*Mockup shall first be done to assess if this fits the existing poles and fits in its welded hinges or otherwise. In fact it would be advisable to take confirmation from the pole manufacturer also that this doors fits their poles as it was fitting in their new poles.
- 5) \*\*Yard where the galvanization is done shall be qualified and approved first.
- 6)
- 7) FAT to be done before supplies and random sample shall be tested for yield strength and elongation \*\*Mockup shall first be done to assess if this fits the existing poles and fits in its welded hinges or otherwise

Final Recommendation:

Approved
