ABOUT US

Green River Marine Equipment Maintenance and Industrial Solutions is the Main Hydraulic Service Company and Provides the Widest Range of Hydraulics Supply and Services to Marine, Oil and Gas, Industrial and Construction and Mobile Industry. We are Specialized in Design, Troubleshooting, Overhaul, Test Bench of All Hydraulic Systems, Specially Open and Closed Loop Systems.

Our Hydraulic Workshop is Built in High Standard (Dust Free Atmosphere) to Repair all Kind of Hydraulic Components Pumps, Motors, Cylinders, Power Packs Under Supervision of High Skills Engineers and Technician. We Provide a Bench Test Certificate for Every Pump and Motor Repaired to Ensure that Each Unit Tested to the Original Specification is Provided with a Warranty. Green River Marine Equipment Maintenance Providing Technical Services to Customers in all the Emirates in UAE and Other Gulf Countries.

SERVICES

MARINE SERVICES

Deck Machineries

- Windlass
- Capstone
- Mooring
- Life and Rescue Boat Hydraulic System

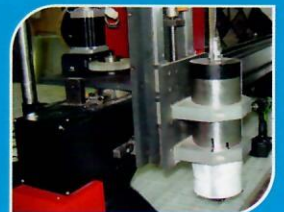

Electro-Hydraulic Deck Cranes

- Provision Cranes
- Cargo Cranes

Tanker Vessels Cargo Control System

- Power Packs
- Remote Control Panel
- Flow Indicators
- Hydraulic Actuators

Azimuth Thruster Hydraulic System

Cargo Crabs

- Schottel
- HRP
- Wartsila Propulsion
- Remote Control Grabs

Framo Systems

- Power Packs
- Manifold Block and Flow
- Cargo Pumps Along with Hydraulic Motor
- Repair and Bench Testing of Framo Hydraulic Pumps

CPP Hydraulic System

- Accumulator Repair & Nitrogen Gas Re-filling Services
- Steering System
- Mechanical

MARINE MECHANICAL SERVICES

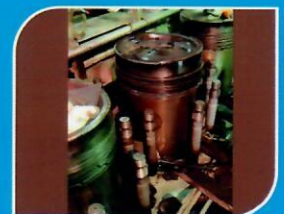

INDUSTRIAL AND TECHNICAL SERVICES

Construction Equipment Putzmeister Concrete Pump

- Concrete placing booms
- Mobile Concrete pump
- Stationary Concrete pumps
- Mortar machine
- High rise pump system

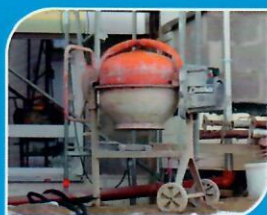

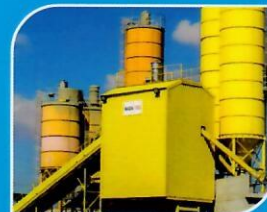

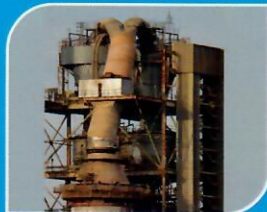

Overhauling & Bench Testing of Hydraulic Components Such as Pumps & Motors & Valves & Cylinder of the Following Brands

- Caterpillar
- Linde
- Rexroth
- Komatsu
- Parker
- Sundstrand
- Vickers
- Denison
- Hydromatic

Atlas Machine Hydraulic Block & Hook Cranes 220v Lamps, Wire, Grinder, Drill Set, Extension Cable Uchida Machining GMBH

- Concrete Batching Plants
- Recycling Plant
- Mobile Batching Plant
- Control System
- Concrete Truck Mixtures

Survey, Repair, Troubleshooting of Industrial & Mobile Hydraulic Equipment's Such as

- Mixers
- Crushers
- Mobile Cranes
- Cement Factories
- Concrete
- Pile Driving Mechanic
