

Fire Rated Doors Solutions LLC
Acoustic
Your Total Fire & Door Solution Provider

Fire Rated Doors Solutions LLC, as the name suggests, provides the total solution for your Fire & Acoustic door requirements.

Incorporated in the year 2004, registered as an establishment of Dubai, United Arab Emirates with the vision to provide expertise in the Joinery & Construction Industry in compliance with the rules laid out by Civil Defense Authorities. Our commitment to quality and constant strive to improve the service is the key success of our standing in the market.

Under the able leadership of Mr. Gireesh V.T, who has immense hands-on experience on various projects across UAE & MENA region, we look into the future shaping ourselves to the outlook of “Total opening solutions”.
