Montegrappa

Montegrappa luxury pens are handcrafted in Italy, using precious materials and jeweller-calibre craftsmanship to realise true works of art. The materials used in a writing instrument's construction are a major determinant of its value.

Montegrappa pens are trophies that signal a joy for writing, style and the finer things in life. Made with Italian craftsmanship and verve, our writing instruments express elegance, excellence and individual style. Refined engineering and virtuoso finishing underscore the exclusivity of charismatic design. For more than a century, Montegrappa fountain pens have consistently balanced tradition and innovation. Since 1912, our constant quest for perfection has been fuelled by Venetian ambition, courage and pride. Exclusive, high quality materials are hand-selected to tantalise collectors, and ensure lasting performance.

THAMEEN
LONDON

Bravi's adventure begins at the opera house, which is the most iconic building in Covent Garden. A place where love and passion for the opera ignites friendships.

Perfumer Bruno Jovanovic re-creates the scent of the Queen of the Night flower. During the olfactory exploration of the Queen of the Night, we take the path of sensuality, but in a dramatic and over the top sensational way.

Intoxicating tuberose is spiced up with an overdose of ginger and dramatized with a novel walnut milk accord. The notes are blended in a way that accents the tension between them. Perfect for an opulent evening.

From our earliest days, RoC® scientists have partnered with leading dermatologists for the most informed insights into the functions and needs of human skin. By understanding the inner workings of the skin down to the cellular level, we are best positioned to develop effective ingredient and formula technologies that can deliver the kind of results you expect from scientifically developed and clinically proven skincare.

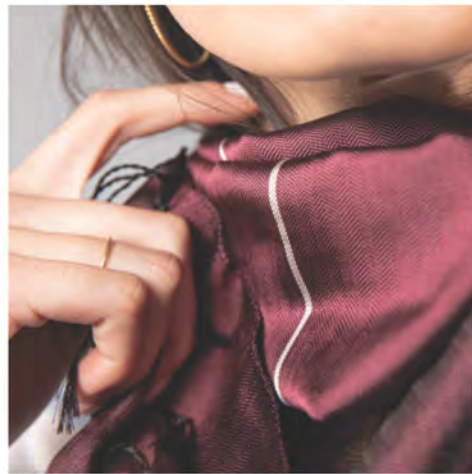

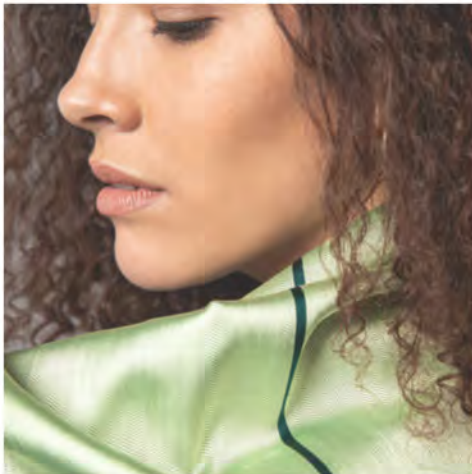

All RoC products have been clinically tested & proven to deliver on the skin benefits promised. RoC® has conducted over 100 clinical studies to date. Studies on new RoC DERM CORREXION® Fill + Treat Serum demonstrated that an exceptional 97% of serum users had lines and wrinkles visibly reduced instantly.

SKILA

SKILA is a well established brand that gained leadership position within the high end handicraft sector in Tunisia.
