EBULLITION**

# OUR STORY

An Entrepreneurs family involved in building material business, has rich experience of 30 years. Over a period of time evolved into a Listed company in the year 2016. Today there is a talk of the Brand 'OM MICA' across the industry. With an enviable hold in high pressure laminates in the country, all credit goes to aggressive thinking and hard work in continuous development of product and marketing as well, supported by team of qualified professionals offering best product to the market. Today it is one of the top 5 companies in India leaped into the threshold of international market with its own reputation of giving quality laminates with a choice of large range of products and finishes at best price to customers and an enviable offer to the project business too.

We at OM MICA continuously strive for product development and innovation is our main ideology giving the best in the industry.
