IMAX LUBRICANTS: A TRUSTED MANUFACTURER & SUPPLIER

Imax Lubricants is a well-known brand in the global market, offering a comprehensive range of automotive, industrial, and marine lubricants products. Imax lubricants are manufactured by Sino Oil Based Lubricants Co LLC, a leading manufacturer of lubricants and greases in the United Arab Emirates. With a strong commitment to quality, safety, and environmental responsibility. Our company is certified to ISO 9001:2015, ISO 14001:2015, and ISO 45001:2018 standards.

Our production process is meticulously designed to meet market demands, prioritizing flexibility and efficiency to deliver high-quality products in the shortest amount of time. In addition to our own brands such as IMAX, BONUS, SAPPCO, we also have the capability and expertise to meet specific customer requirements. Our manufacturing facility is equipped with state-of-the-art laboratories manned by a highly qualified team of technical experts.

At Sino Oil Based Lubricants Co LLC, we take immense pride in the quality of our products and services, which have made our name in the market as a TRUSTED LUBRICANT MANUFACTURER AND SUPPLIER.

IMAX HEAVY DUTY DIESEL ENGINE OIL

Imax heavy duty diesel engine oil is a mineral based diesel engine oil recommended for turbo- charged and non-turbocharged engines under normal conditions. It's formulated with an optimized combination of base oil and a balanced additive system.

| APPLICATION | FEATURES & BENEFITS | SAE GRADE | PACKING |
|--|--|------------------------------|--|
| Suitable for heavy duty engines in trucks, buses, cars and off-road machinery. | Improved fuel efficiency. Long equipment life and reduced maintenance cost. Excellent low temperature pumpability. | 40 50 20W-50 15W-40 | 24x500 ML 12x1 L 6x4 L 6x5 L 20 L 25 L 208 L |

IMAX SUPER MOTOR OIL

Imax Super Motor Oil is a high-performance engine oil designed to meet the demanding service requirements of petrol engine vehicles. With its advanced formulation, this oil provides superior protection and performance, ensuring that your vehicle operates at maximum efficiency and endures long engine life.

| APPLICATION | FEATURES & BENEFITS | SAE GRADE | PACKING |
|---|---|------------------------------|--|
| Recommended for the lubrication of naturally aspirated gasoline engines used in passenger cars operating under mild driving conditions. | Enhanced Protection. Excellent Performance. Efficient Fuel Economy. | 40 50 20W-50 10W-40 | 24x500 ML 12x1 L 6x4 L 6x5 L 20 L 25 L 208 L |

IMAX 2T MOTOR OIL

IMAX 2T Motor Oil is a premium-quality engine oil specifically designed for high-performance engines. It is designed to provide maximum protection for your engine, ensuring optimal performance and longer engine life.

| APPLICATION | FEATURES & BENEFITS |  | SAE GRADE | PACKING |
|--|---|---|-----------|---------------------------------|
| <p>IMAX 2T Motor Oil is recommended for use in all gasoline engines, including those requiring SAE 30 motor oil.</p> | <p>Improved Fuel Economy. Enhanced Engine Performance. Increased Engine Life.</p> | | 30 | 12x1 L 20 L 25 L 208 L |

IMAX 2T OUTBOARD OIL

IMAX 2T Outboard Oil is a marine engine oil specially formulated to meet the performance requirements of modern outboard engines and designed to provide superior lubrication and protect the engine from wear, corrosion, and deposits. IMAX 2T Outboard Oil ensures optimal performance and extended engine life.

| APPLICATION | FEATURES & BENEFITS |  | NMMA | PACKING |
|---|---|---|----------------|-------------------------|
| <p>IMAX 2T Outboard Oil is recommended for use in two-stroke engines where TC-W3 or earlier lubricants are recommended.</p> | <p>Superior piston cleanliness and minimizes deposit formation. Trouble-free operation. Prolongs engine life.</p> | | TC-W2 TC-W3 | 12x1 L 20 L 208 L |

IMAX GEAR OIL

IMAX GEAR OIL is a high-quality gear oil recommended for automotive and industrial use. It is specially formulated with a unique blend of base oils and a balanced additive system to provide superior performance and protection.

| APPLICATION | FEATURES & BENEFITS |  | SAE GRADE | PACKING |
|--|---|---|---------------------|--|
| <p>Imax Gear Oil is a specifically designed for applications involving gearing systems used in automotive, industrial and off-road equipment. It is typically recommended for use in mild to moderate service conditions. Imax Gear Oil is designed to provide optimal performance and protection for gears and gear components and reducing wear.</p> | <p>Long-lasting Protection. Good protection against wear, foaming, rust and corrosion. Effective Lubrication.</p> | | 90 140 80W-90 | 24x500 ML 12x1 L 6x4 L 6x5 L 20 L 25 L 208 L |

IMAX AUTOMATIC TRANSMISSION FLUID (ATF)

IMAX Automatic Transmission Fluid is a high-quality transmission fluid with new concepts of friction modification formulated with highly refined base stocks and specially selected complete additive system. Expressly recommended for automatic and semi-automatic transmissions used in passenger cars and commercial vehicles, operating under severe service conditions.

| APPLICATION | FEATURES & BENEFITS |  | SAE GRADE | PACKING |
|--|---|--|---------------------------|---|
| <p>For most passenger cars, forklift trucks and buses of European, American or Japanese origin. It is also suitable for certain power steering systems, torque converters, change-gearboxes, fluid clutches and non-complicated hydraulic systems.</p> | <p>Good stability and oxidation stability. Good low temperature fluidity, seal compatibility.</p> | | <p>Type A DEX-III</p> | <p>24x500 ML 12x1 L 6x4 L 6x5 L 20 L 25 L 208 L</p> |

IMAX HYDRAULIC OIL

Imax Hydraulic Oil is a high-quality hydraulic oil designed to meet a wide range of industrial and vehicle system applications. With its exceptional properties, our product is particularly well-suited for hydraulic systems subjected to extreme temperatures.

| APPLICATION | FEATURES & BENEFITS |  | SAE GRADE | PACKING |
|---|---|--|---------------------------------|---|
| <p>Imax Hydraulic Oil is designed to handle a wide range of hydraulic systems. It is especially suitable for hydraulic systems that are exposed to extreme temperatures, making it an ideal choice for applications requiring high-performance lubrication.</p> | <p>High shear stability. Efficient anti-wear performance. Rust and corrosion protection. Excellent oxidation resistant.</p> | | <p>37 46 68 100</p> | <p>12x1 L 6x5 L 20 L 25 L 208 L</p> |

IMAX ANTIFREEZE COOLANT

IMAX Antifreeze Coolant is a specially formulated ready to use engine coolant, suitable for both petrol and diesel engines. This high performance coolant is designed to provide optimal engine cooling performance, preventing overheating and maintaining engine efficiency.

| APPLICATION | FEATURES & BENEFITS |  | GRADE | PACKING |
|---|--|--|-----------------------------|-----------------------------------|
| <p>IMAX Antifreeze Coolant is recommended for all petrol engine cars, 4 WDs, Light and heavy diesel vehicles.</p> | <p>Effective Cooling. Anti-Corrosion Protection. Efficient lubrication of water pumps.</p> | | <p>33% 50% 100%</p> | <p>12x1 L 6x4 L 208 L</p> |

IMAX RADIATOR COOLANT

IMAX Radiator Coolant is a high-performance coolant designed specifically for automotive applications. It is specifically designed to provide excellent cooling performance, prevent corrosion, and maintain optimal engine operating temperatures.

| APPLICATION | FEATURES & BENEFITS |  | PACKING |
|---|---|---|-----------------------------------|
| <p>IMAX Radiator Coolant is recommended for all petrol engine cars, 4 WDs, Light and heavy diesel vehicles.</p> | <p>High-Performance Cooling. Compatible with all types of Cooling Systems. Extends engine life.</p> | | <p>12x1 L 6x4 L 208 L</p> |

IMAX CALCIUM GREASE

Imax Calcium Grease is a good quality multipurpose grease formulated from mineral oil and calcium soap thickener and fortified with performance additive package. It ensures good performance and protection against wear, rust and corrosion for components operating in wet or dry, light load and moderate temperature conditions.

| APPLICATION | FEATURES & BENEFITS |  | GRADE PACKING |
|---|--|---|--|
| <p>Automotive & Industrial applications such as wheel bearings, chassis points, universal joints.</p> | <p>Reduced maintenance costs. Good protection against corrosion and wear. Long Service Life.</p> | <p>NLGI NO: 2 NLGI NO: 3</p> | <p>24x500 Gm 12x1 Kg 5 Kg 15 Kg 180 Kg</p> |

IMAX BRAKE FLUID

Imax Brake Fluid is a high-quality brake fluid that is designed to provide superior braking performance and reliability in automotive applications. Formulated to meet strict industry standards, Imax Brake Fluid offers exceptional resistance to heat, oxidation, and corrosion, ensuring long-lasting performance under demanding condition

| APPLICATION | FEATURES & BENEFITS |  | GRADE PACKING |
|---|--|--|---|
| <p>Imax Brake Fluid is an excellent low temperature properties and recommended for all conventional drum and disc brake systems. Imax Brake Fluid can also be used in hydraulic clutch release systems.</p> | <p>Compatible with all system seals mixed fleet use. Increased safety through minimized drop in boiling point. Superior moisture resistance with high dry and wet boiling.</p> | <p>DOT 3 DOT 4</p> | <p>24x250GW 24x500 GW 24x250 ML 24x500 ML 24x245 ML 24x485 ML</p> |
